o Most of Glasgow was at
this tie - reported in Scotland
on Sunday as being 1100,
but I thought nearer 700, as
all the other games fell due
to frost.

Peasies took a 3-2 lead at the
break against a makeshift
LOK defence - with podgy
Robert Prytz as sweeper -
but, though they equalised
just after, the Springburn
men ran out good winners.

Billy McLafferty scored a
hat-trick (one pen) with Doug
Fisher, Chic Gibson and
George Porter getting the
others. Davie Walker (2, pen)
and Ian McLaughlin scored for
LOK.

RESULTS - SAT JAN 9

Only four games beat the
frost last weekend -

Stagecoach West - Div 1 Winton Rovers 2-0 Annbank

o Two goals from Jim Hyslop
put daylight between these.

Auchinleck 5-1 Troon

o Talbot have the Indian sign
over Troon and this result again
emphasised the big gulf between
top side and chasers in Ayrshire.

Former Troon favourite, Steph
McMillan

mates, with the diminutive Steve
Gallen and Marco Minchella,
getting the others. John "Hoots"
Harvey got Troon's counter at 1-1
with a rasping shot.

Beith 1-2 Glenafton Ath.

o Beith did most of the
pressing but Henry Smith and co.
kept them at bay and snatched
victory with two goals from new
signing, former Pollok favourite,
John Paisley (Blantyre Vics).
Former Pollok and Glenafton
man, Gary Faulds, alerted them
to John's availability and they
moved quickly to snap him up.
Danny McKelvie had earlier put
Beith ahead. Both sides head
East this week for difficult
Scottish ties.

Div 2 -

Maybole 0-2 Lugar BT

o Lugar jump into 2nd - where
they may well stay - with this
away win.

THE SPORTING POST BLOWS IT AGAIN

With no Premier League football last weekend, one would have thought that the *Sporting Post* would have taken the opportunity of trying to fill what was going to be a very obvious void in their publication- especially after not publishing for two weeks. (That in itself was a bit bizarre - no *Sporting Post* on Jan 2nd despite a full Scottish and English Senior card).

Does anybody at the SP take a look at the Junior card and try and work out what the top game(s) of the day is/are likely to be? **It would appear not.** The very obvious game of the day last Saturday was 3rd top Kirrie v top of the league Tayport. You hardly need to be Gerry McNee to be aware of that fact. Kirrie were after all the only team to have scored v Tayport in the league this season. The punters seemed to think it was the top game anyway, because it pulled out the best Tayside crowd of the day.

Not so at the SP however. Whilst a pathetic few words at the foot of a column on the Junior page was all the Kirrie v Tayport match merited, we got two huge photos of Violet playing St Josephs with, as usual, no names on the caption. And huge headlines and a lengthy report on a totally meaningless Broughty v Blairgowrie match watched by a couple of hardy souls. (no disrespect to these teams intended) Surely, though the interest in watching reflects the interest in reading.

The SP seem to think that 'big is beautiful' as far as the Junior page is concerned. I can just hear them. *Boss, there are a few games off this afternoon, what will we do? Och just stick in another photo to fill the space. Later. Jings, boss, there are even more games off. Oh never mind, what's the most meaningless game of the day? Broty v Blair. Right, then, treble the size of the headline and increase the size of the report.* I don't know who the SP think they are kidding but falling sales will clearly give them the message that the punters aren't fooled.

No way did the tiny report on Kirrie v Tayport do justice to the way the game unfolded. It had all the ingredients for a readworthy report - penalty and a disputed goal (was it over the line, was it not?) to have the 100pc league leaders trail by 2-0 with 35 minutes left. Tayport sub scores with his first touch to reduce leeway, the match goes deep into injury time with Kirrie hanging on desperately before the Region's top scorer equalises in 95 minutes. Does the following report reflect that? **I think not.**

Thistle share points

KIRRIE THISTLE played host to league leaders TAYPORT and opened the scoring via McKENNA.
Half-time—Kirrie Thistle 1, Tayport 0.

Kirrie stunned Tayport with a second when the ball crossed the line following a goalmouth scramble with WILSON getting the credit.

Port substitute CRAIK pulled one back on 57 minutes and CAMERON thumped home the equaliser.

Final—Kirrie Thistle 2, Tayport 2.

It's almost - in fact, **it is** - embarrassing to see the punters in Tayport queuing up as they wait for their SP to be dropped off the bus at the local paper shops at 6.30pm on a Saturday and realising they are to be met with such a poor quality production.

Whilst our grade of football is grateful for any media coverage, I would respectfully suggest that, without much effort, great improvements can be made in the SP coverage. For example.

- 1) Determine in midweek which games are of the greatest interest/importance and grade accordingly. If necessary in consultation with Tayside Match Secretary.
- 2) Get the correspondents for the 'top' games to phone in the teams prior to kick-off which can then be included with the match report.
- 3) Send the photographer to the 'top game' - not just the game 'round the corner from Dens or Tannadice' because it happens to be convenient.
- 4) As all the junior games finish at least half an hour before the copy deadline - and mobile phones are as common as muck these days - there should even be an opportunity for the editorial staff to make a general comment on the days proceedings, highlighting the shocks and top stories from the day's card.

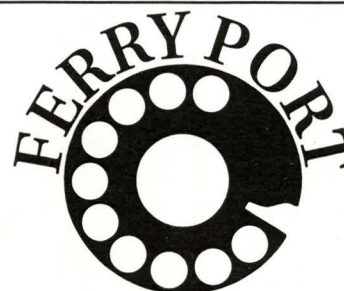

TV, radio and teletext are increasingly keeping everybody up to date with what's happening in the Senior game and this pinch is bound to be felt by the SP sales. However what we don't get from TV & radio is good Junior coverage. An improved Junior coverage in the SP might just help arrest these falling sales. It's worth a try. As the old cliché has it nothing ventured, nothing gained. It would be sad for the old SP to slip away without a fight.

The Tayport Amateurs' Alliance XI from 22 YEARS ago. Back (l-r) Matt Lawson, Bruce Ritchie, Frank Feechan, Doug Henderson, Derek White, Jim Scott, Gordon Gray, Alan Davie. front - Abby Oswald, George Ritchie, Ian Rae, Brian Burchell, Kenny Smith and Frankie Dewar. Much of Henderson, White, Ritchie, Burchell, and Dewar's leisure hours are now spent on Scotsraig Golf Course these days. Oswald and Smith are still involved at the Canniepairt. Davie, now a police inspector in Angus, was at the Kirrie match last week and Lawson is currently in Oz.

TODAY'S GAME

All being well this afternoon should see new ground broken at the Canniepairt with TV cameras here for the first time covering the match for tomorrow's **Scotsport** programme.

Back in 1990 when the club announced its intention to join the Juniors, the club's pre-launch publicity brochure stated *inter alia* **"It is the Committee's intention to create a Junior team of some standing, a team of which the community can**

be proud....." We've probably done that but the old maxim, ***you're only as good as your last game***, still holds good. It is imperative, therefore that we - both Tayport and Camelon - produce the goods this afternoon. It's not just the eyes of the local community that are on us - and we want to give them something to remember the day by - but the eyes of Scottish soccer. So, if the teams can serve up entertaining and exciting fare this afternoon, then we'll be giving the Junior game a big boost

and in so doing perhaps give credibilty to those who are anxious for change in the structure of the Scottish game.

This is the teams' fourth meeting and there's nothing to suggest that this tie will not be as closely fought as the others. There are a number of survivors of the cup final meeting in both camps. **Six** of the Camelon players who played on Sunday 12 May 1996 are in their squad today while Tayport have **eleven** of their 14 that day in today's pool.

The teams boast two of their respective Region's top scorers in their line-up. Kenny Cameron notched his 38th goal of the season at Kirriemuir last Saturday while in Davie Flynn, Camelon have one of the East's ace marksmen. With 25 goals, David is only two behind Whitburn's Colin Campbell at the top of the goal charts.

Tayport didn't start with Paterson, Wilkie and Craik at Kirriemuir and it remains to be seen if they're in today. Grant Miller was in last week's squad but, having missed out most of the season to date through a couple of bad injuries, it's likely he'll have to again settle for a place on the bench.

Camelon haven't had competitive action since 19 December when they won well at Haddington and it's unlikely that they'll show many changes from their line-up that day.

Tayport will be in unfamiliar blue this afternoon. When the clubs' colours are similar, the home team has to change. The names which are on the backs of their normal jerseys would have been particularly helpful today but Camelon, quite understandably exercised their option to play in their first choice strip and will, therefore, be in red.

This afternoon's tie is sponsored by BRE Limited, Compressed Air Specialists, Dundee and the Taybridge Bar, Perth Road, Dundee. The Man of the Match award is sponsored by members at Scotsraig Golf Club, Tayport. We are extremely grateful for their support.

THE CARMUIRS SQUAD

Manager **GEORGE FAIRLEY** has been at the helm for most of the 1990's and in that time has elevated Camelon Juniors to, and maintained them in, the top echelon of the Scottish Junior game.

ALAN BANNER - (Goalkeeper) Experienced ex-Senior with St Mirren and East Fife, Alan has been the last line of defence at Camelon for the past 7 seasons and has the badges to show for his efforts. His back-up is **ALAN FRASER** the former Tranent goalie who keeps in trim by helping the Seniors out from time to time in midweek reserve games.

CHRIS CAMPBELL - Close season signing from Bannockburn Amateurs and played his early games in midfield before settling into the right back role. **STEVE TENNANT** - Another new signing, fixed up this season from Armadale to take over the No. 3 shirt which had previously had an array of occupants. The 32 year old was ten years a Senior with Clyde amongst others.

GRANT TIERNEY - 37 years old central defender and vastly experienced having served Hearts, Dunfermline, Partick and most recently Livingston with distinction before signing on at Carmuir's just over a year ago. Weighs in with the occasional goal as he demonstrated against Arniston earlier this season.

DOUGIE SMITH - Came on as substitute v Tayport in the '96 final. Has since left and then returned to the club to hold down a regular place mainly in the sweeper role. **CRAIG GILLAN** - First season after signing from Cambusbarron Rovers amateurs and a candidate to team up with Tierney in central defence, possibly at the expense of Smith.

JIM ELLIS - Played in the 1995 & 1996 finals. Thereafter his work took him out of the area but has regained a midfield place on his return to the fold this season.

GORDON ABBOTT - Teenager who was previously attached to Falkirk. Has rekindled his enthusiasm for the game as an attacking midfielder whose performances this season have seen him catch the eye of the Scottish selectors.

JACK ROSS - 22 years old midfielder who played for Lochee United against Camelon in the Tannadice OVD semi-final in 1995. Moved to Carmuir's the following season but did not get off the bench v Tayport in the '96 final. Has made the No. 8 jersey his own this season.

CHRISTIE McKENZIE - Livewire left side attacking midfielder whose performances in the 1995 Cup run earned him a step up to Alloa but that trip across the Forth proved shortlived and he was soon back at the Mariners. Junior and Amateur international caps.

DAVID FLYNN - 31 years old striker who has consistently been amongst the top scorers in his years with Camelon. Played in both Cup Finals. Hit four goals as Camelon beat Kilsyth in the last round. Shiftwork saw him move to Bannockburn Amateurs last season but he returned this year still with a keen eye for goal.

MARC FALCONER - Flynn's striking partner who signed early on in the season from Armadale This. Prior to that he had three seasons Senior with Queen's Park and Clyde. Ten goals so far this season.

KEVIN HAMILL - Had a midfield role in the 1996 final but has not held down a regular starting spot this season. **CRAIG REYNOLDS** - Was a regular in defence at the start of the season but has invariably been on the bench in recent times. Signed from Sauchie Juniors. **COLIN WILSON** - Had a tough time with injury and yet to get back into the starting line-up. Signed from Kilsyth in '96. Senior with Stenhousemuir.

SCOTT ROSS - Close season signing from Oakley but injury has restricted his availability. **SCOTT TIERNEY** - Brother of Grant. Currently suspended

NORTH END CENTENARY CUP

THIRD ROUND DRAW TAKES US TO ABERDEEN

In the North End Centenary Cup on Saturday 6 February we've been drawn away to new boys Glentamar who play at the Woodside Sports Complex in Aberdeen. This is Glentamar's first season in the Juniors but they have already made their mark, eliminating St Josephs from this competition on penalty kicks at Fairfield Park.

It's a 2pm kick-off on 6th Feb. and there will be a supporters bus, details from Mary Walker (553647) and a bus from Cobies Inn. The referee will be Mr Dalgetty from Brechin who was in charge of last Saturday's league game at Kirriemuir. The draw for the quarter finals of the competition will take place at Glentamar after the match.

A look at the other ties shows just how the competition this season is being dominated by the North Region clubs.

Cruden Bay v Sunnybank Formartine v Kirrie Thistle

Hermes v Bankfoot Inverurie Loco v Carnoustie

Lewis United v East End Lochee Harp v FC Stoneywood

Turriff United v Ellon Utd.

Only five Tayside representatives remain, four of which have to travel - all apart from ourselves to face Premier League clubs. Harp have home advantage but their opponents, FC Stoneywood, are the current North kingpins, having lost only one game this season to date.

ANDY'S ANGLE

First of all I would like to extend a warm welcome to the players and officials of Camelon to the Canniepairt for our Scottish Cup game this afternoon.

Our game last week saw us drop league points for the first time this season and, while I am obviously disappointed not to have taken full points from the game, there were some pleasing aspects from our point of view.

The goals we lost were more of our own doing as opposed to Kirrie constructing them. This was mainly down to us not starting the game with our usual pace and sharpness. Once we did raise our game, we dominated the play and should have won the game convincingly.

I must give credit where it is due. Kirrie have improved a great deal this season and have impressed me in both games we have played, with the game on Saturday giving us a real fright. It is some consolation, however, that our rivals will still have to play them. The most pleasing aspect was our willingness and effort to get back into the game, especially when we went two goals behind.

We showed real character and spirit to get level so late in the game and I suspect that if we had had another couple of minutes, we would have won the game.

Looking towards today's game, one thing is vitally important if we are to progress. We must defend much better than we did in our previous game as Camelon are very sharp in front of goal. They are an attack minded team and their past results and league statistics suggest they are often willing to trade goals with the opposition. This should make for an entertaining game from a spectator's point of view. As you know we aren't lacking in the scoring department either, so a high scoring game could be on the cards. With no Premier League games today we could also have a large crowd hoping to see Tayport progress to the next stage of the cup.

IT WASN'T ALWAYS A FOOTBALL GROUND

Developed as a football ground by this club during the latter part of the 1970's, The Canniepairt had been allowed to grow wild for much of the post-war period. Prior to then, however it supported a small farm and the following poem describes what it was like to stay there.

GUIDBYE TAE CANNYPAIRT(sic)

*A wee bit hoose wi moisty wa's
A wee bit field wi gairden girt
A byre some sheds in leanin' twas
An' they ca'ed it Cannypairt.*

*But there ma toddlin feet limpt aft
There I fand laughter and dool
As year in year oot twixt field and laft
I gaed by the plowter tae school*

*Doon by the burnie we huntit the eel
Beatin' the banks wi a herdin' stick
But eh man; the beastie aye joukit us weel
Playin' us mony a skeely trick*

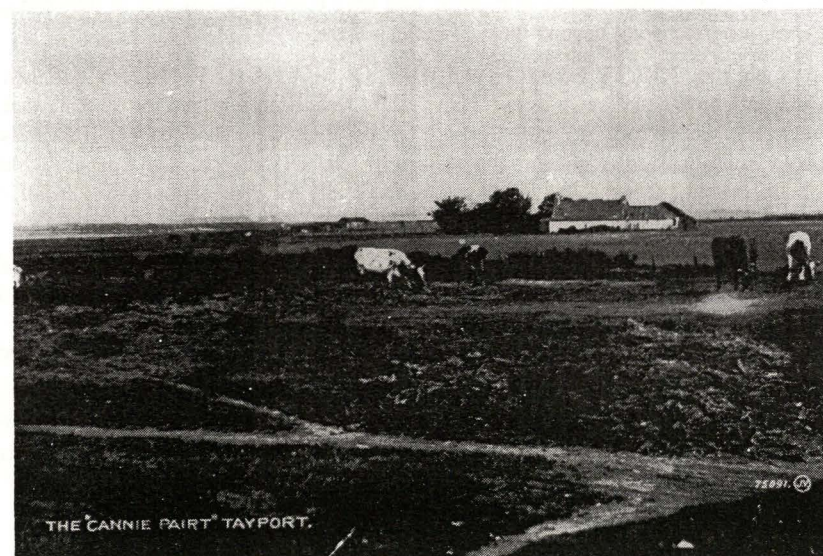

*Oot tae the shore and ower tae Lucky
A dip in the tide in nature's claes
Hame cross the saut gress na carin' a buckie
Happiness brimmin' thae faur awa days.*

*The byre, the kye, the widden milk hoose
Whaur Nance said they keepit a pig
(A cheeny bowl wi' milk stracht frae the coos)
But it gien the inspectors a flig*

*When mornin's first and bonniest ray
Climbed up ower the dunes to the sea
An' shone on the heavin' bar o' the Tay
Twas like Heaven's Gates tae me.*

*And noo its ower - they've taen'd for a sty
An' I'm windrin' if I can bear't
Tae say guidbye, tae say guidbye
Guidbye tae the auld Cannypairt*

OVD SCOTTISH JUNIOR CUP

4th ROUND

The East and Central Region clubs dominate those bidding this afternoon for a place in the last 16 of the competition. Between them these Regions supply more than half the clubs in action today. Tayside has only four remaining representatives but each has been drawn at home.

PETERSHILL may have stuffed Pollok 6-3 at Newlandsfield last Saturday but **LOCHEE HARP**'s doughty cup fighting reputation will be respected by the Glasgow side. Lack of match practice, no competitive game for three weeks may count against Harp. *Verdict - away win.*

If there's to be a shock it could be at **MONTROSE** where **KILBIRNIE LADESIDE** are the visitors. There's always a tendency for the Ayrshire clubs to believe their own hype but they would do well not to underestimate Roselea at the exposed Broomfield. *Verdict - home.*

FORFAR WEST END entertain **BLACKBURN UNITED** who provided the shock of the last round with a win over Newtongrange Star. West End have nothing to lose and if, they can give it their best shot, progress is not beyond them. *Verdict - draw.*

Fife Region's big two, **KELTY HEARTS** and **HILL O' BEATH HAWTHORN**, are their sole survivors and both have been drawn away. Haws might have been forgiven for thinking that they might have been in Govan today to meet Benburb but the Bens were shocked 4-0 in their last round replay v Sunnybank so Aberdeen's the destination. **SUNNYBANK** have a set-up which is longing for success but I fear that the Fifers will be too crafty for their opponents. *Verdict - away.*

Kelty are across the Forth at **DUNBAR UNITED** and this one looks almost too close to call. Dunbar have the ex Hearts striker Wayne Foster in their ranks but he'll be faced with a trio of erstwhile Senior opponents in the Kelty line-up, ex United, Hibs & Luton defender Dave Beaumont, ex Dundee and Raith Colin Harris and the former Par and Brechin player Ian Heddle. *Verdict - draw.*

FC STONEYWOOD travel to meet **LANARK UNITED** and, had the game been at Polo Park, my money would have been on FCS but, despite their relatively lowly Reebok Premier placing, Lanark don't give goals away easily and I take them to shade it. *Verdict - home*

LEWIS UNITED look like being lambs to the slaughter at Dunterlie Park against holders **ARTHURLIE** but at the hospitality at Barrhead will be some consolation. *Verdict - home*

BONNYRIGG ROSE's major close season recruit was ex Dundee & Livingston striker Graham Harvey and he's repaid the club's investment with a barrowload of goals. Harvey looks to be the main threat to a **BEITH** side looking for a third successive fifth round appearance. *Verdict - draw.*

With Camelon boss George Fairley's brother, Brian, in charge at **WHITBURN**, one of the best Cup fancies, the outcome of their tie at home to **KILWINNING RANGERS** will be of more than passing interest to our visitors today. This tie will attract the best attendance of the round and if they can keep 'Stormin' Norman Montgomery quiet, Whitburn could just carry the day. *Verdict - home.*

BATHGATE THISTLE's reward for ending North End's interest is a home tie with **CUMBERNAULD UNITED** and a last 16 place beckons. *Verdict - home*

One of six ties in the Lothians is the meeting of **LINLITHGOW ROSE** and **GLENAFTON ATHLETIC**. Glens, still under the stewardship of Alan Rough, have been starved of their OVD fix these past three seasons. With Henry Smith in goal and the recent recruitment of ex Celt Tony Shepherd, they've got a stronger squad than of late and have set their sights on a return to the glory days of the early 90's. Rose, however, still crave the success denied them by Tayport these past two seasons. Despite the recruitment of ex Hearts & Man. U. defender Graeme Hogg, Rose disappointed last week in losing three goals in drawing with lowly Dalkeith. Glens, by contrast won at Beith. *Verdict - away.*

Our old adversaries **CUMNOCK** are also visitors to the East Region where they meet **FAULDHOUSE**. There's been a lack of match practice recently for Cumnock and their hopes could well be ended by a home side in buoyant mood following their Heineken Cup win at Dunbar last Saturday. *Verdict - home*

AUCHINLECK have appeared in only two finals in the 90's. Since the second of these in 1992 they have flattered to deceive and there will be mutterings from the Beechwood Park faithful if that record doesn't improve soon. However there should be smiles today as Talbot have one of the easiest tasks on paper at **GLASGOW PERTSHIRE** who are currently 38th in the Reebok League. A reasonable 'gate' is as much as they can expect from today's outing. *Verdict - away*

There's a Reebok derby when **JOHNSTONE BURGH** face **LARKHALL** Both teams will see this as a minor distraction from the business of getting into the Premier Division - at least that's what the losers will claim. But there's no denying the magic of the cup and the adrenalin will be flowing in both camps. *Verdict - draw*

MARYHILL reached the semi final last year, losing to Pollok, before the mass defections to Clyde. They have surprised a few with their form and the recent addition of the ubiquitous Danny Diver should give their chances this year a boost. Certainly a visit from **STONEYBURN**, replay winners over Bankfoot, should hold few fears. *Verdict - home.*

SNIFFING ABOUT WITH THE SNOOUT

Ex-Tayport FC(amateurs) player Bob Brannan has resigned his high profile post as chief executive of Glasgow Rangers. Suggestion is that he didn't see eye to eye with Dutch Dick and had recently been looking to get a new opportunity fixed up before announcing a parting of the ways.

If the Port Supporter who left her/his Tayport scarf in the Kirrie Thistle Social Club last Saturday wishes to claim it, make yourself known at the main ground entrance today. Kirrie SC kindly sent the scarf on.

One of our Match Sponsor BRE Limited's guests today is Larry Adam, a representative of one of BRE's Lothians based customers . Larry's late father was a playing stalwart for the club pre-war and a club official post war. Larry is no stranger to the Canniepairt. When work commitments permit, he tries to take in a game here on his trips back to Tayport to see his mother

The former Rippon Engineering site which dominates the far end of the Canniepairt has, as we know, been re-zoned and is apparently to be redeveloped as a nursing home but the club, as a neighbour, hasn't yet had any official notification.

Car Boot Sales at the Canniepairt are scheduled to resume on Sunday 4 April for the summer season. There's hardly a Saturday or Sunday goes by without the club receiving a phone call asking when is the next boot sale. We had a call on Sunday 27th December asking if there was a sale that day!

The £2,500 jackpot prize in Tayport FC's Super Six Lottery las week was won by Lindsay Ancell of Broughty Ferry. Lindsay, a player with Tayport from 1972 to 1979 and now a prominent cricket administrator, last visited the Canniepairt with a stall at a car boot sale a couple of years ago. With his new found wealth, he'll now be able to give up car boot sales and might even have some change to stand some former team-mates a drink! Within an hour of his win being announced at least two former colleagues of 20 odd years ago were, over a pint, recalling the camaraderie of the Tayport Reserve X1 of that era! Aye, a fine player that Fancy Dan (the moniker by which Lindsay was known), was the consensus of opinion!

21 year old Tayport's Nicola Payne, Scotland's No.1 Ladies Tennis player, took advantage of her festive break from jetting around the world to spend some time back in Tayport and took in our friendly with St Andrews United. Nicola was formerly sponsored by Tayport FC.

Ross gives it big licks!

Club treasurer, spongeman and ice cream maker supreme Ross MacMillan was recently the subject of a press photo after the firm for which he works, Luvian's of Cupar received an award from the Ice Cream Alliance. What was omitted from the story was the reason for Ross's big smile. Just as the photographer said 'Smile please', Daniela clamped her left hand on Ross's bum!

PRESS REPORT

Carnoustie Gazette on Tayport 1 Carnoustie Panmure 0 on 19 December.

".....as in the first half, Ross continued to cause the Carnoustie defence problems and from one of his crosses the ball fell to Cameron on his own just ten yards out, but he scooped his shot over the bar, much to the Gowfers relief."

Fife Herald on 25 December

" So far, the season has gone exceptionally well, with 'Port commanding a healthy lead at the top of the league, while retaining an interest in all cup competitions. The goals are flying in and very few are being conceded, yet there is still a long way to go until any tangible reward can be claimed. This said, if the standards which have been set can be maintained, then the prospects of a successful campaign look very promising indeed. "

Fife Herald on Tayport 4 St Andrews United 0 on 28 December

" The majority of Tayport's squad were given a run-out in this friendly played on the Canniepairt during the festive period, with Billy Coventry returning to face his former team-mates only a few months after signing for St Andrews "

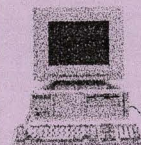

How *The (Glasgow) Herald's* Junior column (**Monday 11 January**) reviewed Saturday's East Region and Tayside Region Junior games.

"

"

and this publication has the hard neck to purport to be a national newspaper! Disappointing but, sadly, typical.

CHANGE OF ADDRESS FOR WEBSITE

Kevin Dixon, the computer brain behind the Tayport FC site on the Internet has advised that, from February, the website will have a new address which is

www.tayportfc.freemove.co.uk

The new site is already on-line and until February both sites will be updated. The existing address **www.tayport.demon.co.uk** will be taken off in February. Kevin has done an excellent job constructing the Tayport FC site which is one of the best on the web and if you get the opportunity, try and look in.
