TODAY'S GAME

WHYTE & MACKAY SUPER LEAGUE

Round 14

TAYPORT v THORNTON HIBS

Tayport host Thornton Hibs for the first time in a league game. Hibs finally made it into the Super League after being pipped at the post on two previous occasions. Memorial Park may not be at the top of the list when the 'ground of the season' awards are handed out, but you can be sure of a warm welcome at Hibs, and you know you've been in a game - as our visit there earlier in the season showed.

Hibs' form this season has frustrated boss Archie Wyse. One week Hibs are a match for the best. The following week their performance bears no resemblance. Last week, against neighbours Glenrothes at the Warout Stadium, they went one better and managed to show both facets in the one game.

Seemingly cruising home at 3-0 with little over half an hour to go, a leap up the Super League table seemed assured. However one of the comebacks of the season saw Glenrothes score five times to take the three points from a 5-3 win.

Picking themselves up after a bad result is pretty much par for the course for Thornton and therefore Tayport can expect that experience to be erased from the visitors' thoughts for this game which is crucial to the aspirations of both clubs.

Hibs' aspirations at the start of the season were, no doubt, to gain a foothold in the Super League and build from there. They are well on the way to achieving that, although they will no doubt recall the experience of Kelty Hearts in the Super League last season. Newly promoted Kelty got off to a flier but could not sustain their challenge and slipped back into the District league. Hibs are made of sterner stuff, however, and have already scored half as many goals again (21) as Kelty managed in an entire league season (14).

One thing you can be pretty sure of in a Thornton match is goals. Every one of their 12 league match has had at least two goals. But it not goalscoring, it's his defensive problems which will be giving Archie Wyse his concerns this week, so there could well be changes in that area of the team following last week's collapse.

Tayport have several players anxious to get a starting jersey, but there are unlikely to be many changes in the starting line-up. Allan Ramsay is still unfit but Roberto Morris could get the green light to return after being out with the head knock he sustained at Bonnyrigg.

John Knox, will be added to this afternoon's squad but it'll likely be a place on the bench at best, for the youngster whose first training session at the Canniepairt was in midweek.

Player Profile

STEWART WILLIAMSON

How did you view last season's results and subsequent change in manager?

No comment on the change in manager. It was a very hard season. We were struggling right from the very start but a lot of hard work was done by the players and I think they should take some credit for keeping us in the Division, especially the way things were going.

You made a clean sweep at the Player of the Year awards last season. How did that feel?

I was overwhelmed by it all. It is nice to be picked at the end of the season by your fellow players and the supporters. I was very honoured.

You have signed a new contract. How long is it for, and did you receive any offers to go elsewhere?

I have signed a contract for two years and no, I didn't receive any offers to go anywhere else. I thought I would give Donald Park the benefit of the doubt and I am quite happy to be here.

You have been made team Captain. How do you view that?

I was very honoured but I won't change. The boys will still hear me shouting and I'll look after the young players.

How do you view the coming season, with the rigours of 44 games, and do you have any opinions about the proposed Super League?

44 games. They say it's hard for the full timers but it's harder for part time players who have to come from work to train. But you just have to get on with it because if you love the game it doesn't matter how many matches you play. On the Super League, I think it's been coming for some time. If it's going to work out better for Scottish football then fine, but I'm very wary of it. But hopefully that might be after my time.

Finally, when do you plan to hang up the proverbial boots, and do you hope to stay in football?

Well, I hope to stay in football. As yet I've not done any coaching courses at Largs but I do intend to go along. I plan to stay in football for as long as I possibly can but I'll know when to go. I will try to stay as long as I can although I won't play as many games as he has done.

Joe Kimmet found this profile of the Tayport FC assistant manager in a Meadowbank Thistle v Dundee programme from August 1992. Stewart went on to play something like 520 Scottish League games for Cowdenbeath, Meadowbank and Livingston. Here's a question. Which Dundee FC player in that game is currently playing for a Tayside based club in the East Region JFA? Answer in next Saturday's Arniston programme.

"NO JOB TOO BIG OR TOO SMALL for

MARSH AND SULLIVAN"

Good afternoon and a warm welcome to both sets of supporters for this important Super League match. Today's game is vital for both teams as Thornton will be looking for points to keep them in their comfortable mid-table position, clear of the three or four teams in the drop zone, and more importantly, for Tayport, in our quest to close the ten point difference between ourselves and current leaders Lochee United.

After last week's comfortable 3-0 win over St Andrews in the Scottish Cup we will be approaching today's encounter in a confident mood, although we know Thornton will be difficult opposition as proved in our last meeting with them, when they came back right at the final whistle to take a point in a 6 goal thriller.

Last week again proved that, when encouraged to be more offensive, our guys are very capable of scoring goals and at the same time can shut up shop at the other end, as our recent run of 19 goals scored for the loss of only three in our last five games shows. Great credit must go to our defenders and keeper for giving the midfield and forwards the platform to go and attack the opposition. Goals lately have come from all areas of the midfield and frontline, so it's difficult for opponents to target a main area of goal threat. It can come from any area in the team and all we can do as coaches, is to demand more of the same from the lads.

Robbie Henderson and Gary Middleton are blossoming into a formidable front two, working hard together and proving once again that, given the chance, young players can come into the team and do well. Even although they are under great pressure to perform at a high level every week with the likes of Christie, Craik, Hunter and Reilly desperate to gain a starting place in the front line. In the middle of the park, we have great competition for places. Every one of our midfielders is deserving of a place at the moment and, with Brian Livie capable of performing well in both defence and wide left berths, it all gives us great heart going in to the New Year.

Training this week has been very upbeat and full of stories from last week's night out which was in honour of the Craik family's new arrival (baby Naomi). All great fun which adds to the fantastic team spirit which has been built up over the years.

I hope you all enjoy today's game, and we can get the win we need to keep up our challenge.

Cheers, *Keith*

“ The more Super League Football in north east Fife, the better “

DUNMORE

Last Saturday saw 'Port cruise into the fourth round of "The Scottish" thanks to three second half goals against St. Andrews United. The first half? Those who witnessed that forty-five minute period have already forgotten its content and, other than to say that Saints' Jimmy Nairn was ordered off, it's best left that way.

Immediately after the break, crosses from either flank, one from Barry McNaughton and one from Gareth Dailly, were converted by Scott Peters and Gary Middleton, respectively, giving Tayport an unassailable lead.

A low Ross Gunnion cross, on 72 minutes, allowed Robbie Henderson to complete the 3-0 win, for his third goal in a fortnight against St. Andrews.

Hopefully, though, the Recreation Parkers will have learned enough from the double-header to mount a serious challenge for the Fife title, this season. The more Super League football in north-east Fife, the better.

Talking about the Kingdom, today sees a third successive all-Fife affair on the Canniepairt. Thornton Hibs are the visitors for a league fixture which Tayport will be desperate to win, in order to maintain their own championship bid.

In Tayport's squad this afternoon is mid-field player John Knox who was released by Glenrothes by mutual agreement following Keith Burgess and Stewart Williamson's move to the Canniepairt.

Two years ago this month, 20 years old John was playing for Heart of Midlothian 1st XI in the SPL. John trained at Tayport this week and is likely to be offered a contract.

Today's Visitors

1ST, 4TH, 2ND & 7TH. West End's league positions these last four seasons. Current form suggests that this season could see the Strathmore Park side finish even lower. Indeed talk of relegation has appeared in the 'Forfar Dispatch'. A win over Jeanfield, a second successive win, has given manager Dave Reid some welcome cheer and he will be looking to extend that run.

In goal will be BRUCE GLEN, a fixture for many seasons at Broughty Athletic but persuaded by manager Reid to move to Forfar to wear the jersey discarded by Gordon Dunn. SCOTT PETERS is a versatile defender signed from Forfar Athletic three seasons ago. Last youth on his side and his displays this season have seen him included in Dave Baikie's Tayside Under 23 pool.

KEITH WILSON. Dundee lad signed from Lawrie FP this season. Solid, dependable defender. Scored his first goal of the season the other week but unfortunately it was for Downfield! BRUCE FLEMING. Sweeper recruited from Letham Lads Club a few weeks ago. Settling in well at Strathmore Park. ARTHUR WALKER. Team skipper who has been with the club for many seasons. Mainly plays in the middle of the park but the injury situation this season has necessitated his dropping into the back four from time to time.

GRAEME MCALLOY. A new face this season in the West End line-up. Left back who joined up from local Midlands Amateur side Lowson United. Knows the road to goal and already has several to his credit this season. PAUL BLAIR. Midfielder who returned to Strathmore Park after a brief and generally unproductive spell at Downfield. Highly experienced Junior who has served West End well.

JOHN CRAIG. Midfielder who has been with the club for a number of years. Played Senior with Montrose and was also formerly of Forfar W.E. Works offshore and as a result is not always available for selection. WAYNE FERGUSON. Joined up in April last year, previously having been with Arbroath F.C. Versatile player, although probably preferred as an attacking midfielder.

IAN GUNN. Wholehearted type of player who was at Carnoustie for 5 or 6 seasons. Didn't play much last season but after turning out a couple of times for Arbroath Vics at the start of this season, moved up to Strathmore Park. Central defender.

GLYN SMITH. Teenage midfielder who was attached to St Johnstone at one time. Recent arrival at West End who will be seen as one for the future by manager Reid.

HAMISH SOUTAR. This is the striker's second spell with the club, having seen service at Blairgowrie and more recently with Kirrie Thistle. West End's leading scorer last season with twenty odd goals but has been having a fairly lean time so far this season. Signs though in recent games that the old goal touch hasn't deserted him.

NICK MARKOWSKI. In his first season at Forfar, having signed from Arbroath Vics with whom he was a prolific marksman, including a few against us. Struggling to find that same goalscoring form so far this season.

PAUL YULE, forward signed from Downfield, unlikely to play because of injury as is fellow striker LEE STRACHAN. Also likely to be out is another front-man MIKE THOMSON and definitely missing will be the experienced defender - ROBERT ANDERSON who is still on the injured list.

OVD SCOTTISH JUNIOR CUP

Quite a stushie has been kicked up on the Internet over the SJFA making the 4th round draw next Tuesday at 7.30am in the offices of the Evening Times in Glasgow. According to the punters it was -

Why Glasgow? Why the Evening Times and not The Sun, Daily Record, Evening News? Why behind closed doors? Why in the West when the tournament has been dominated in recent years by teams from the East? And there were even allegations of skulduggery! Somebody even offered the use of their living room for the draw!

Anyway, regardless, the draw goes ahead on Tuesday and Tayport are in the hat with another 31 clubs. It's doubtful if we can get the draw on the Newslane until lunchtime but we'll do our best.

Nothing much in the way of shocks last week. The Port Prog predictions weren't up to much but the bookies got it right, with the majority of the short placed sides moving on and the long shots making their exits.

One of the few shocks was at Blackburn United where the 4/1 shots accounted for Kilbirnie Ladeside by 1-0 thanks to a Docherty goal just after the break. Although the description of Kilbirnie, a team effectively in 25th place in the West League, as a top Ayrshire side is a wee bit over the top.

Lanark were surprise 2-0 winners at Super Premier League Bellshill. A Lanark substitute apparently committed an El Hadji Douf type offence on Bellshill's Brian Smith. Smith's reaction wasn't unexpected in the circumstances. He got a red while the Lanark guy received a right hook.

There were questions asked at St Anthony's where the home side went down 3-2 to Renfrew, who trailed 2-1 with ten to go but levelled then got a late penalty winner. The reason the questions were asked was that one of the official assistants was apparently the brother of one of the Renfrew players. He had allegedly been a trifle weak on the offside rule according to reports!

Goalkeeper Parkin kept Kelty in contention at Pollok until the home side netted a controversial second goal. Apparently Kelty were trying to put the ball out to seek treatment for an injured player but Pollok's Logan took advantage of the situation to pinch a goal. A third goal was academic as the Fifers lost their way.

It was a good 4-0 win for depleted Arniston at Stonehouse with star man Wayne McIntosh receiving the plaudits for a hat-trick.

This week there will be a four figure crowd for the match of the day, the replay between Bo'ness and Auchinleck at Bo'ness. Hill of Beath were surprisingly held 0-0 at home by Wishaw but, like Bo'ness, should win through at the second attempt.

Oakley, held 1-1 at home by Greenock, will be wary of their trip west. Kinnoull have home advantage over Thorniewood and should progress. All replays go to 90 minutes only, with ties going straight into penalty kicks if still level. Extra time is no more in the OVD Cup up to the semi finals

Gary Braid: Striker who signed for club around Christmas 2003 from Crossgates Primrose and in his first game scored the goal that sealed the Hibs place in the Fife League Cup Final.

Gary Cassells: Striker who signed for the club in the summer of 2004 from Cupar Hearts.

Michael Cunningham: Left sided player who signed for the Hibs from East Fife on loan in the summer of 2002. When he was released by East Fife at the end of season 2002/03, Mikey elected to stay at Memorial Park. Was the Hibs' top scorer in 2003/04.

Craig Danks: Goalkeeper who signed from Glenrothes Strollers U21 in the summer of 2003. Shared the inaugural Supporters Player of the Year award (Lowe Trophy) with Darren Francis in 2003/04.

John has been the committee and players player of the year numerous times.

Graeme Dursley: A striker or defender who joined us in 1999/2000 from Kettle U21. He also plays for Fife Police and has been 'capped' by the Scottish Police. Top scorer in 00/01 and 02/03.

Current captain of the club who was the Committee's Player of the Year, Players' Player of the Year and shared the Supporters' Player of the Year (Lowe Trophy) in 2003/04.

Shaun King: Midfielder who joined from Dundonald Bluebell in the summer of 2004.

Gary Lamont: Defender/Midfielder who is in his third spell with the club. Originally moved to Memorial Park in 1995/96 on loan from Dunfermline but has had breaks in service at St Andrews United and Eastvale AFC with whom he won a Scottish Amateur cap.

Mike McAlinsh: A striker who signed on the eve of the transfer window closing in August 2002 from Kelly Hearts in an exchange for Scott Reid.

Alan McAllister: Midfielder who joined us in summer of 2002 from Guardbridge U21.

Andy McCabe: Striker who signed for the club in October 2004. Previously played with Glenvale AFC.

Scott Reilly: Defender or midfielder who joined the club in November 2004 from Bowhill Rovers AFC although he has previous junior experience with Dundonald Bluebell.

Ken Renwick: In his second spell at Memorial Park following a brief spell at Glenrothes. A previous winner of the Players and Committee's Player of the Year awards.

John Shields: Striker who joined the club in the summer of 2004 from Glenrothes.

Stuart Thomson: Defender who joined up from Glenrothes Strollers U21 in summer of 2003.

Graham Watson: Defender or midfielder who signed in August 2003 from Glenrothes at the same time as Mark Buist with Ken Renwick moving in the opposite direction. Has senior experience with Aberdeen, Clyde, Livingston and Forfar. Also plays with Fife and Scottish Police teams.

Alec Webster: Goalkeeper who joined the club in October 2004 as a free agent although he has previous junior experience with Lochgelly Albert and Dundonald Bluebell.

Management

Manager - Archie Wyse: Joined the club as a player in 1988 from St Andrews United. Also played with Newburgh and Dundonald Bluebell with whom he won a Fife League championship in 1983 when John Dickson's father was the manager. After a period as a coach when Dale Gardner was manager, Archie took control of the reins in November 1994 and after Hill of Beath's Jock Finlayson he is the second longest serving manager in Fife.

Coach - John McAndrew: Joined the club as a player in 1989 following twelve seasons at Glenrothes whom he joined from Cowdenbeath. Before Archie accepted the offer from the committee to become manager, he first of all spoke to John to ascertain whether or not he'd be his number two.

Coach - Ian Morrison: When Alan Hunter left the club last summer, Ian filled the vacant position after a number of years as a manager of Glenvale AFC. Has previously served Thornton as a player (in the late 70's) and as a committee member in the late 90's.

Sports Injury Therapist - Davie Muir: Joined the club in 1999. Was a player with Thornton in the mid 1980's and also played junior with Kirkcaldy YMCA and Crossgates Primrose.

media matters

The Tayport v St Andrews Utd Scottish Cup tie preview dominated the back page of the *Fife Herald* (3/12). The writer, in recalling the sides' first meeting in the competition back in 1990, pointed out two Tayport players that day, Grant Paterson and Dave Reilly, "two of the most accomplished players ever to wear the Tayport jersey, incredibly, were on course to take the field tomorrow. With over 1200 appearances between them, the duo monopolise the record books" Both players duly appeared in Port's 3-0 win. The paper also reported the 3-1 win at Bonnyrigg where the reporter noted "Tayport had responded [to Bonnyrigg's first minute goal] in magnificent fashion in the second half of an action packed encounter which delighted the travelling 'Port support". The scribe commented on "the power of substitute Brian Livie on the left hand side being a major feature of the game".

The *Evening Telegraph* (Tayside edition) last Friday (3/12), not surprisingly, majored on the clash of holders Carnoustie and Lochee United. Sponsors OVD had organised a photoshoot and a photo featuring four of the contestants who had previously made their mark in the senior game illustrated the page.

The Sun on Monday (6/12) led on the Auchinleck v Bo'ness tie with a photo of George O'Boyle firing Bo'ness ahead and the article concentrating on George's influence on the game and his thoughts on the Juniors. "I'm loving it", he said, and added praise for Bo'ness' noisy support. One black mark for *The Sun*, though, their league tables are inaccurate, having not been updated with the scores from Nov 13th. The *Edinburgh Evening News* had Newtongrange v Irvine Meadow as its main game and the reporter thought, had Star not had a man ordered off with eight minutes to go, then they might have held on to their first half goal and not lost an equaliser in 86 minutes. Another fourteen junior games were reported in the *News* - all with the line-ups listed, which is an excellent feature of the newspaper.

Monday's *Evening Telegraph* had a photo of John Ward and Gareth Dailly acclaiming Scott Peters' opening goal v St Andrews.

The *Daily Record* (8/12) - Tayside edition - had articles on Carnoustie, Brechin Vics, Ballingry Rovers, Broughty Athletic and Elmwood. There was an interview with Elmwood boss Jim Finlayson who was moaning that, with the addition of the KIA East of Scotland Cup, there could be fixture congestion with the backlog of fixtures that his club was likely to face. Well, well, who'd ever have thought we'd hear an Elmwood manager complain about having too many games. Changed days indeed at 'Wood.

The *Glenrothes Gazette* (8/12) had extensive coverage of the Glens v Thornton Super League derby, and described Glen's comeback from 0-3 down to win 5-3 as amazing. Thornton's secretary John Laing reckoned his side had been on the way to "run up a cricket score" before Glens' manager changed his tactics which changed the game. The *Gazette* also reported on its back page that "John Knox has left the club [Glenrothes] for Tayport". Quite a coup, since at the time, the player hadn't been to Tayport, never mind signed for Tayport!

SNIFFING ABOUT WITH THE SNOUT

East Region clubs have been asked to cast a vote, answering 'yes' or 'no' to whether they want to compete in the Super League. One would assume that the twelve currently in the Super League would answer 'yes'. Odd, though it may seem to ask the Super League clubs a question to which the answer would seem obvious, it's apparently an exercise by the East Region Executive to determine whether there are a number of clubs who don't want to play Super League football. It's assumed they could then form their own wee league to play each other for fun and those clubs with Super League ambitions could maybe form a Super League division 2. There is also talk of reducing the number of teams being relegated from the Super League.

Wait a minute.....there's one thing which has been established and that is the fact that the Super League has been a success. So now they want to tinker with the format. I wonder if anybody has stopped to ponder that perhaps the exciting climaxes to the seasons - at both ends of the table - has been down to the format. Add a couple of teams to the Super League, perhaps, do away with Super League participation in the local cups maybe, but keep relegating three teams.

We can reveal the reason Derek Wemyss has been heard to exclaim 'yahoursurr' or refer to acquaintances as 'neeb's' in recent times. It's down a posting at Lochgelly in his new career in the Fife Fire Service. Ya buoy surr, kain whit ah mean.

Amongst the hospitality guests at last week's OVD tie v St Andrews were well known former players Graeme 'Micky' McPherson, who was a stalwart for the amateurs in the 80s, Billy Coventry and Paul 'Junior' Reilly. Great to see you back, lads.

Lochee Harp's Davie Taylor, apparently didn't get the opportunity to do his TV acclaimed drag act prior to the Scottish Cup tie at Bathgate last week because of time constraints. Pity, as he had been planning to transform himself into a French maid, and that could just have been just enough to get the Beechwood boys a result.

Dave Baikie, has signed his first female coach. Christine Curtis from Crossgates has been appointed as the Central Park club's first community coach. Blonde Christine, a former winger with Cowdenbeath Ladies is the first female coach to be appointed to a Scottish senior club. Still on Cowden, the Bell's League recent game v Montrose at Central Park probably reminded Baiker and Mel of their pre-Super League days in the Tayside Juniors. The attendance was reported as a disappointing 149.

Recently qualified firefighter Derek Wemyss put his new skills to good use at a players' night out last Saturday. Big Ralph, as usual winding up everyone in sight, saw his 'bush fire' stunt go wrong but Derek stepped in to douse the flames and save Ralph's nether regions from experiencing complete meltdown!

Following last week's results, some changes down the betting, but the only change at the top is Lochee joining Tayport on 10s.

Elmwood's win over Edinburgh United to reach the last 32 has seen their odds shorten to a record 80/1. The bookies think that the North Region 1954 and 1957 successes are very unlikely to be repeated with odds no better than 100 and 150/1
