Apologies.....

As you will appreciate most of this programme was prepared and printed for the original tie which was a late postponement on 19th November. Certain references will, therefore, appear dated. Please accept our apologies but the bonus is there will now be more room in the blue bin for Christmas wrapping paper.

GRANT'S IMMENSE ACHIEVEMENT

Records have been tumbling during the last couple of weeks. Two weeks ago Grant Paterson achieved 100 Scottish Cup ties for Tayport, as the Fife Herald reported below, and has only been on the losing side on ten occasions during this period.

Last week in losing 4-0 at Bo'ness, Tayport suffered their biggest ever defeat in any game since turning Junior in 1990. Never in the previous 777 previous games had Tayport lost any game by more than a three goal margin. Throw in friendlies and it's the biggest defeat in over 800 outings. So, win or lose, Port keep breaking records!

Tayport's centurion

GRANT Paterson was presented with a engraved decanter from Tayport FC and a plaque from Tayport FC Travel Club to mark a century of appearances in the Scottish Junior Cup.

Grant made his cup debut against Larkhall Thistle in 1990 and last Saturday made his 100th appearance against Sauchie.

This is a remarkable achievement and an all time record for the 120 year-old competition.

Lochee Harp scoring goals for fun

Goals should be the order of the day at The Canniepairt today. In their last four games Harp have fired in no fewer than 16 goals against Broughty Athletic, Oakley United, Kinnoull and Tayside Premier League leaders Scone Thistle. There is a downside, however, in same those four games they have also conceded 16.

Only one of the games was won, 7-3 away v Broughty. Against Oakley, in the Redwood Cup, Harp surrendered a half time lead to go down 5-3 and their defence was just as leaky in the last couple of weeks, both 3-4 defeats.

SNOUT EXTRA

- ◆ All change at Lochee United where Eddie Wolecki has left for Montrose. In his four seasons or so at Thomson Park, Eddie steered his team to the Tayside District title, the East Super League title and the Redwood Cup. Dave Baikie has been tipped to fill the vacancy
- ◆ Once again the Scottish Cup 4th round draw took place in the Glasgow offices of the Evening Times at the unearthly time of 7.30am. Why? is the oft asked question. Well, 7.30am to get the early edition of the paper, but why the Evening Times? It does a regular column on the Juniors, certainly, but so does the Dundee Evening Telegraph and the Edinburgh Evening News. Quite appropriate publications, one might consider for a change, given that the competition so far this century has been dominated by East Region clubs. In fact the Telegraph's extensive coverage of the Juniors certainly warrants a piece of the action.
- ◆ Billy Spence resigned as Rosyth Recreation manager following his side's home defeat by Glasgow Perthshire in the Scottish Cup. *Snout* hears that Rec players were somewhat taken aback by a rousing rendition of the Glasgow team's party song prior to the tie, which they edged by the odd goal in seven.

OVD SCOTTISH JUNIOR CUP FOURTH ROUND DRAW

The draw for the fourth round of the OVD Scottish Junior Cup was made last Tuesday in Glasgow and resulted as follows:

TODAY'S GAME

FINDLAY & Co CUP

ROUND 2

TAYPORT v LOCHEE HARP

It's Harp's first visit to The Canniepairt since April 2001 when goals from Paul Clark (now Dundee Violet), Ronnie Kenneth (now Carnoustie) and Davie Evans (now Broughty) gave Tayport a comfortable 3-0 passage into the second round of the DJ Laing Cup before an attendance of 102.

Harp were just three points away from promotion to the old Tayside Premier Division that season but their fortunes plummeted the following year and they failed to make the cut for the re-formed Tayside Premier Division. However their stay in the bottom division was short, with promotion to the Premier Division achieved in June 2004.

Manager Steve Higgins set his sights on challenging for the Super League in 2004/05 but the competition was stiff and the Beechwood Park side flirted with relegation for much of the season, finally avoiding the drop by two points.

After finding their feet in the Premier Division last season, Harp, now under the joint management of veteran stalwarts Mike Kelly and Frank Conway (pictured right), have set out their stall with improvement in the league and progress in cup competitions, very much on the agenda.

Although, out of the Scottish Cup, beaten 3-1 at Whitburn, Harp are still fighting on five other cup fronts and, fresh from a 7-3 annihilation of Broughty Athletic in this competition last Saturday, will be out to ensure their record of having scored in every game they've played this season to date, remains intact.

Playing his part in Harp's scoring average over four goals a game is, of course, a former Tayport favourite Brian 'Birdie' Craik who moved to Beechie around this time last season. Birdie, of course, will have his place in the Tayport FC hall of fame thanks to his Scottish Cup exploits for Port. For a player who scored the winning goals in two Scottish semi finals and a final, immortality in the Burgh is guaranteed.

Also in the Harp squad is another player with a Tayport FC Scottish Cup winner's medal, Barrie Gray, another who thrilled the fans here at the Canniepairt. Barrie has been troubled with an Achilles problem recently and could miss out today.

In the Tayport squad for today's game is Barry McNaughton who played with Harp last time the sides met here. Since then the midfielder has turned out almost 200 times for Port, collecting 15 medals on the way.

Tayport will still be without Scott Peters and Derek Wemyss and, unless he's 100% fit, it's likely Robbie Henderson could miss out again. Although his options are a bit restricted, Keith Burgess is likely to make a couple of changes from the side which collected the points at Hill of Beath.

Today's game will be played to a finish with a penalty kick decider if the teams are level after 90 minutes.

"NO JOB TOO BIG OR TOO SMALL for

MARSH and SULLIVAN"

Good afternoon and a warm welcome to both sets of supporters for today's Findlay Cup tie against Lochee Harp.

This afternoon's match sees the return of a Tayport folk hero in the shape of Brian Craik. Big Birdie was a great favourite with the Port fans and a player that commanded great respect in both the home and away dressing rooms. He is always good to have around the place and I will never forget that he was the first Tayport player to greet me and show great enthusiasm on my appointment as manager after Dave Baikie left, which gave me a great boost on my first night at training.

During last season Brian decided that it was time for him to move on and give himself a fresh challenge in the shape of Lochee Harp. As we all expected, the big fella has been amongst the goals, but hopefully we can put a stop to him and his teammates putting one past us this afternoon..

Since my last column, we have beaten Kello in the Scottish Cup and recorded a good 2-0 Super League victory away to Hill of Beath. The Kello tie was a game of two contrasting halves, with a very poor first half performance in which, I think, our guys took the opposition far too lightly and they almost gave us a massive fright by striking the post in the third minute of the game when they really should have scored.

After some home truths from Stewart, Derek and myself at the half-time team-talk, we came out and showed of what we were really capable and ran out comfortable 3-0 winners, with Robbie Henderson and Bryan Duell scoring the three goals between them to put us into the next round and a tough tie away to Sauchie.

Last week down at Hill of Beath we fought really hard on a park that resembled a glue pot to record another fine away win against a team that I think will be in the top five come the end of the season.

Defensively we were very good and gave nothing away all day. The closest Beath came to scoring was a great free kick from Darren Wright which was heading into the top corner until Duncan Bruce produced the best save that I have seen this season and turned the ball round the post for a corner. Lately we have not conceded goals and a lot of the credit must go to our two goalkeepers, Duncan and Frazer, who have both been in tremendous form. For me, per-

sonally, it's great to have two guys whom I consider to be two of the finest keepers in the league, challenging for the goalie shirt (May the best man win!)

Competition for places is great right now and, with the return of Allan Ramsay from temporary retirement, we have further strengthened our squad. The quality in depth was evident at Hill of Beath last Saturday when we made two or three changes and still looked a tight unit and I was delighted to see Martin Grant notch his first Tayport goal. His bad luck in front of goal has been a standing joke in the dressing room, with him striking the post and the bar twice and having goals ruled offside in recent weeks. Even in training the woodwork seems to have a great attraction for Barney's strikes at goal. Hopefully with him off the mark, we will see his goal threat in the opposition box.

News from the treatment table is that Derek Wemyss and Scott Peters are maybe a couple of weeks away from fitness. Fitzy has recovered from an eye problem and Robbie is slowly shaking off a viral infection but is not yet 100% fit. Roberto is causing physio Norrie Marshall a bit of concern with an on-going pelvic problem but insists he is going to play through the discomfort as he doesn't want to lose his place in the team (not your usual Italian attitude, I'm sure you will agree!). Good on you skipper, you're a hero!

I hope you all enjoy this afternoon's game. Get behind the team and cheer us to victory.

Cheers, Keith

today's visitors to the canniepairt LOCHEE HARP

Lochee Harp is one of the best known clubs in junior football and last year celebrated their centenary year. Having scaled the heights, probably plumbed the depths, produced great players and been involved in some wonderful matches over the past century, Harp is the epitome of a junior football club. There have been many memorable occasions in the club's 100 years history and arguable the most famous was Harp's appearance in the Scottish Junior Cup Final in 1954, exactly fifty years after the club was founded in 1904.

After a 2-2 draw in the semi final at Parkhead, Harp accounted for Clydebank by 2-0 in the replay at Dens Park before an attendance of 28,000. Hopes were high as the Harp fans made their way to Hampden for the final, but their hopes were dashed, Sunnybank winning 2-1 before a crowd of 22,000.

It's the closest that Harp have come to winning the coveted trophy, although with a total of four semi final appearances, they have come closer than most local clubs. In 1931 Harp went down 3-0 to Denny at Dens Park, in 1934 it was 3-0 to Bridgeton Waverley at Easter Road and in 1968 Johnstone Burgh won 3-2 at Shawfield.

Before the restructure which saw the emergence of a Tayside Junior set-up in 1969, Harp had dominated the local football scene, winning twice as many Dundee Junior League championships than nearest rivals Violet, as well as 46 local cup competitions.

1968 was the last time Harp made their mark on the national scene [although they did raise a few eyebrows in 1979 when they were drawn away to holders Cumnock in the Scottish Cup - and won 6-0!] Domestic success in recent times has also been fairly sporadic with two Tayside Championships in 1985 and '86 and local cup wins in '81, '83, '86, '87 and '98.

The name of Lochee Harp has, for the last 50 years, been synonymous with the Kelly family. Chairman Jim Kelly's father was treasurer for many years and brothers Jack, Ged, Harry and Albert have been mainstays throughout the years. Jim's son, Mike, is player/coach and son in law Frank Conway is player/manager. To describe Harp as a family club would be something of an understatement!

As well as former Port players Brian Craik and Barrie Gray, there are several of Harp's current squad who will be familiar to Port fans, for example veteran defender Mike Kelly who, if he plays today, will be making appearance no. 1,029 for the Beechwood team, having made his debut in 1978.

The man charged with bringing good times back to Beechwood is player/manager Frank Conway who is in his second spell at the club having worn the colours of Montrose, Brechin City, Airdrie and Livingstone in between.

Others with a Senior pedigree are Keeper Steve Colgan (Cowdenbeath), defenders Marcus Dailly (Exeter, Brechin) and John Cairney (Arbroath), midfielders Bobby Skelligan (East Fife) and Kevin Kelly (Arbroath)

Two players who helped in no small way in contributing to Tayport's success in recent times, previously played with Harp. Hamish Mackay, although signed from Montrose, was a big player at Beechwood in the mid eighties and Barry MacNaughton was signed from Harp in 2001.

SNIFFING ABOUT THE WITH THE SNOUT

A surprise inclusion in the Arniston Rangers line-up last Saturday v Linlithgow was ex Glasgow Ranger Scott Nisbet, who had moved to Spain to take up a coaching appointment.

One of Sauchie's most famous old boys is television pundit, and former Partick Thistle, Liverpool and Scotland defender Alan Hansen.

Tayport FC staged the recent annual community Guy Fawkes Bonfire and Fireworks Display on the Canniepairt. The wet and misty weather cleared to a perfect evening for a large attendance to witness the well constructed bonfire light up the night sky before devouring poor old Guy Fawkes who had been made by the pupils at Tayport Primary School. There followed a spectacular firework display staged by the club's own team of pyrotechnics. The club's thanks go to those who assisted the committee by acting as stewards etc.. Much appreciated.

There's been a bit of debate on the Internet this week questioning whether the East of Scotland Cup will be played for this season. Reason for the doubt is down to the fact that cup sponsors KIA haven't coughed up their sponsorship for LAST season, much to the chagrin of finalists Linlithgow Rose and Newtongrange Star. So we guess KIA cars are not on the Christmas lists in Newtongrange and Linlithgow. However despite this speculation, we have it on good authority that the cup will be played for and will be drawn at the next meeting of the East Region. However if a sponsor is found in the interim, then it could be drawn at the sponsor's premises.

Tayport fans can look forward to a comfortable seat and a splendid view of their Scottish Cup tie at Sauchie in two weeks, from the home club's very smart new grandstand. The stand has been named in honour of late club official Jimmy Millar aka Mr Sauchie, who left a substantial financial legacy to the club when he died three years ago. The stand was officially opened by Alan Hansen, the football pundit, and Liverpool legend, who was brought up in Sauchie, the family home being situated only 50 yards from Sauchie's Beechwood Park.

Tayport have a Footballers' Supper planned for Saturday 21st January in the Tayport Arms. The main speaker is John Gahagan, one of the top names on the after dinner circuit, so it's sure to be an entertaining evening. Numbers will be limited but full ticket details will be available soon.

RENFREW ONCE MORE

The draw for the 4th round of the Scottish Junior Cup has paired Tayport and Renfrew for the third time in five seasons.

The clubs first met in a 5th round tie in February 2002 at Western Park, Renfrew where a crowd of 747 saw Brian Craik get our goal in a 1-1 draw against the then cup holders. The re-play the following week saw Derek Wemyss' late goal put Port into the quarter finals and wrest the trophy from Frew's grasp before an attendance of 576 on the Canniepairt.

The most recent meeting, of course, was last season at Love Street, Paisley in the semi-final where Derek Wemyss and Gary Middleton netted in our 2-0 win before a substantially bigger attendance of 2,500.

Renfrew are having a very good season and currently top the West Super League, having only tasted defeat on three occasions since mid August. Renfrew have yet to lose a goal in this season's Scottish Cup. They received 1st round bye then travelled to Peterhead to win 3-0 v Longside in round 2. Third round opponents FC Stoneywood, also from the North Region were put to the sword by the same score at Western Park.

Good Wins For Veterans

Henderson & Loggie 1 - 4 Tayport FC Veterans XI

Veterans' skipper Ian Mathers led his team, including Doug Henderson, at 56, the oldest of the veterans, to a comfortable win at windswept Gussie Park last Friday (11 Nov), despite being minus a few regulars.

The line up was Ian Lyall, Jim Downie, Andy McDougall, Ian Mathers, Dennis Loftus, Gordon Hughes, Dougie Cook, Brian Cosgrove, Bert Valentine, Doug Henderson, Ian Downie, Danny Oswald and Derek Ritchie. Oswald, Cook, McDougall and Hughes scored for Port.

Tayport FC Veterans XI 4 - 3 St Andrews United Staff XI

The Vets were back in action on Dec 4th when only a great injury time save from keeper Lyall kept the locals' noses in front. Bruce Burnett (2), Neil Downie and a Dennis Loftus penalty counted for Port. Alan Gray, Colin Gray, Bruce Burnett and Neil Downie replaced Jim Downie, Ian Downie and Danny Oswald.

The **Alloa Advertiser** confirmed the seriousness with which Sauchie are treating this season's Scottish Cup campaign, reporting out that the club travelled up to the Moray coast on Friday night and staying overnight prior to their second round tie with Whitehills. According to the paper it paid off big style, Sauchie winning 11-0.

The Advertiser also reported this week that manager Willie Irvine and members of the Sauchie committee were at Whitburn last Sunday for the Scottish Cup draw. The paper reported *'Their pairing with trophy holders Tayport could not have been harder but the Beechwood Park boys hope to take it all in their stride.'*

Speaking this week, Jim Cousin the Sauchie Juniors' secretary said "we are looking forward to the tie and are really quite excited about it. If we have a full squad with everybody fit, then it could be a close game, especially since we are at home. This should be quite an occasion and I anticipate a big crowd."

The **Fife Herald** (11 Nov) maintained its quality coverage of Tayport FC with two excellent action shots from the Kello cup tie by Ally Kinnersley and a report on the tie containing post match views from Tayport boss Keith Burgess as well as a back page preview of the Hill of Beath league game. The quality content of the coverage by the Herald is in stark contrast to the couple of lines tucked away, well down Monday's Junior notes in **The Courier** (14 Nov).

Tayport's move to the top of the table for the first time in a couple of seasons, was recognised by the **Evening Telegraph** which noted Tayport's move to the top had been helped by the postponement of the Bathgate and Whitburn games..

The Tele also recognised that Tayport and Lochee United had been given tricky trips in the Scottish Cup draw.

The **Evening Telegraph** was loud in its praise of Harp's performance in giving Broughty 'a drubbing'. It added 'Time and again the Beechwood side ripped the home defence apart and the tormentor in chief was Brian Craik, who had a hat-trick'.

The **Evening Telegraph** reported that the East Region JFA is recognising former General Secretary Jock Myles' contribution to the Junior game with a tribute dinner which is likely to be staged at the beginning of next season.

The Sun (17 Nov) had a report by Scott Campbell in which Whitburn manager Derek Strickland said he wasn't upset at being knocked off the top of the table, a position they had occupied since the opening day of the season. Said Derek *'Tayport may have knocked us off the top but we are only a point behind with three games in hand, so we are still in a decent position.'*

In last night's **Evening Telegraph**, Junicus has an interview with Harp player coach Mike Kelly, who reckons that his guys are *'up against the most consistent side in the country.....all the pressure will be on Tayport as we aren't expected to win'.*

Yesterday's **Fife Herald** provided its usual spot-on coverage and picked out Duncan Bruce's *'fabulous stop to keep out a strike from Darren Wright which had seemed destined for the top corner'* The Herald reckoned that it was perhaps as a result of the wonder save that the frustrated Wright was later red-carded for aiming a kick at Roberto Morris.

Last night's **Edinburgh Evening News** had a major piece on Arniston v Lochee United, which was effectively an interview with Arniston Rangers' gaffer Brian McNaughton who reckons a win over the Dundee side will see his team looking 'onward and upward'.

The Hill of Beath Hawthorn website report of last week's Whyte & Mackay East Super League match Hill of Beath v Tayport at Keir's Park

Three weeks after visiting the Canniepairt on league duty, Tayport visited Keirs Park in the return fixture. The first half was an evenly contested affair with neither team really testing the others goalkeeper. The Haws had a couple of strikes on goal while Tayport's crossing let them down. Gregg Meikle looked to have been pushed over in the box by the visitors keeper, but the ref saw fit to book Gregg claiming he had dived. The second half saw a similar story to the first with defences on top. Ten minutes into the half, the Haws thought they had opened the scoring when Darrin Wright's free kick was placed perfectly in the top corner. Duncan Bruce in the Tayport goal had other ideas as he pulled off a save of the highest quality when he travelled the width of his goal before getting up to push the ball wide. Tayport took the lead when Steven Stewart crossed from the right and Craig Noble's attempted clearance came off his thigh into the net. Tayport wrapped up the points when Martin Grant drove through to place a shot past Marc Graham on ninety minutes. Final score Haws 0 Tayport 2.

SUPER LEAGUE

WHYTE
AND
MACKAY

Arniston and Glens put pressure on the rest

Everything so far points to this being the tightest Super League to date - at least as far as the battle to avoid relegation is concerned.

Only a miraculous recovery will see *North End* avoid the drop but, given the recent resurgence of form displayed by *Glenrothes* and *Arniston*, most of the rest of the division will be looking over their shoulder. Suddenly the spectre of relegation will become very real for a number of clubs.

Into this category must come *Linlithgow Rose* whose defeat at Gorebridge has further put pressure on manager Jim Sinnet if you believe the gossip. Incredibly Linlithgow Rose have yet to record a victory over Arniston in eight Super League meetings. New manager Brian McNaughton, who was a coach at Cowdenbeath under Dave Baikie, has shaken things up at Newbyres and the aspirations of the Arnie army have been heightened by his appointment as Ben Honeyman's replacement.

Near neighbours *Bo'ness United* are too close to the bottom for their comfort but the Newtown Park side will see the appointment of Dave Baikie to the manager's seat as their salvation. Baiker's first game in charge produced only a point from their home draw with *Lochee United*, but given the circumstances of nine players on the injury list, most at Bo'ness were happy to settle for a point according to their website.

Glenrothes' recent league and cup form has been good with a convincing 3-0 home win over inconsistent *Carnoustie* their latest success. The Gowfers have a good chance of leaping up to joint third top spot with a home win over a *North End* side with only a single point to show for ten outings this season.

In a restricted Super League programme this afternoon, the only other game is at *Arniston Rangers* where *Lochee United* make their longest trip of the league season anxious to improve on a record which has seen them win only once on the road to date. Lochee's already flickering hopes of retaining their title will be extinguished if they fail to win this one.

**" Thank goodness football is a game of
two halves..... "**

says

Dunmore

Thank goodness football is a game of two halves. Recently, goals have been in short supply during the opening forty-five minutes.

A fortnight ago, when Kello visited for the Scottish Cup tie, it was not until the second half that the holders broke the deadlock, courtesy of Robbie Henderson. Once the striker had slotted home the opener, there was little doubt as to which team would go on to win.

Doubts had been raised in the first half, however. The Ayrshire district side carved out two very early opportunities and were unfortunate not to take a shock lead. Thankfully, the hosts regained their composure, making solid progress to round three of the national competition.

Following Henderson's 52nd minute opener, Bryan Duell added goal number 2, once he had reverted to a forward role. Robbie's second of the afternoon completed the scoring, for a second successive double in a second successive 3-0 triumph.

Last weekend was all about East Super League points and all three came Tayport's way. Again, though, there was a goal-

less first half, which meant that 'Port hadn't scored against opponents Hill o'Beath for more than 2 ½ matches. The law of averages dictated that the goals would eventually come, although the first was fortuitous.

Steven Stewart's dangerous 82nd minute cross was turned into his own net by Haws defender Craig Noble. Martin Grant then netted a clinical second goal, after latching onto a Gary Middleton flick.

At the other end, Duncan Bruce pulled off a fantastic stop to thwart Darren Wright, who was later ordered off, while Gregg Meikle twice threatened, only to drag his two shots across goal.

All in all, it was a big win for Tayport, sending them to the top of the league. Now they embark on three consecutive cup fixtures, beginning with today's visit of Lochee Harp. In their party will be a familiar face, with Brian Craik making a welcome return to the Canniepairt, where he will be assured of a warm welcome.

ARCHIVES - FEBRUARY 1910 No connection with Tayport FC but from Jas K Corstorphine's 'On That Windswept Plain' - the first 100 years of East Fife FC, 1903-2003 which provides an interesting insight into what was the Fifers' biggest game in their history to date - a bit like Pollok arriving at Tayport in for an OVD Cup tie 1991! It was a springboard for East Fife to go on to greater things, winning the Scottish Cup 28 years later and three League Cups from 1948 to 1954 and so it would be with Tayport.

From the LEVEN ADVERTISER AND WEMYSS GAZETTE on 9/2/1910 -

- It looks as if Bayview Football Ground could this season become even yet more famous among football enthusiasts than it has ever been. As lovers of football are aware, East Fife have been drawn against the world famous Queen's Park in the second round of the Scottish Cup.

The luck of the ballot gave East Fife the choice of ground. The thousands of football followers who are resident in the "Second City" and district are naturally anxious that the match should be played on Hampden Park. In the hope of inducing East Fife's officials to agree to go to Glasgow, the Queens Park officials opened up negotiations with the Fifers yesterday. "Change the venue to Hampden Park and we will guarantee £75, was the message flashed across the wires from Glasgow to Fife.

East Fife's officials, anxious that a first class match should be played in the district, refused to accept the tender and stuck to their guns.

The offer was soon raised to £100.

The even money was not accepted and a claim made for at least £150.

During the evening the Glasgow men came up to this sum. In the interval, however, the draw for the third round came to light and again the "fates" were with East Fife. They were balloted against the Clyde at Methil, if they get through their tussle with Queens.

In view of this development, the officials of East Fife decided to refuse the £150, believing that they were entitled to a greater sum.

Last night it looked as if the Queen's Park would have to journey to Methil, on Saturday, and engage East Fife at Bayview.

Fully expecting the match to be played here, the officials were last night in conference up till a late hour sketching plans for transforming Bayview during the next few days and making it a park worthy of a second round Scottish Cup tie. Every hour will be employed in erecting stands and perfecting the enclosures.

Special trains will be run from Glasgow and from various parts of Fife and with good weather the crowd will be enormous. The Wemyss and District Tramway should have a record.

Today lovers of football await the final outcome of the negotiations anent the venue with much interest. Should Bayview be adhered to there will be tossing of caps in

the air all over the Kingdom.

BUILD UP TO THE MATCH - EAST FIFE V QUEENS PARK

Weather conditions - cold, frosty morning. At 1.30 pm rain began to fall. By kick off time at 3.30, the rain began to clear.

Leven Cars (trams) arrived at the gates in rapid succession from east and west.

Pedestrians hurried along Wellesley Road, the theme of conversation being East Fife's chances against the famous Glasgow Spiders.

Many people, however, hung back at the gate, disappointed at the decision by East Fife officials to double the entrance money from 6d to 1/-. They lingered in Wellesley Road, hoping the management would reconsider and reduce the entrance fee.

As the kick off neared, the crowd lined the ropes on all sides of the park, struggling to gain the best vantage point. (Those who held back would have to stand at the rear).

Before the match, East Fife officials were on the park, making last minute adjustments to the playing surface. Other officials were doing their best to meet the demands for seats in front of the stand and pavilion.

The Methil Town Band entertained the crowd with "some lively airs". Then came the pipe band, who were "highly entertaining", and their old cigar box was passed around the crowd - there was a "hearty response" to their appeal.

There then followed a Salvation Army female officer, who reminded the huge crowd (through a megaphone) that "this is self denial week".

Just as she moves from the stand there is "an outburst of applause" as the East Fife players jumped the fence (rope) and "a ball was sent spinning to the west goal".

The early turnout was soon explained as Mr Patrick, a Leven photographer, lined up the players and photographed "the cup tie eleven".

The pipers took over from the photographer and while they play Queen's Park arrive.

Overcoats are thrown off, the eleven leap into the ring. The coin is thrown into the air and East Fife win the toss.

Match Report

East Fife: (Dark Blue jerseys) - Dowie, Oswald, Baird, Taylor, Ross, Sloggie, Mitchell, Nimmo, Mackie, Burnett and

Dugan.

After 15 minutes, Dugan rounded Queens Park defender Thomson and fired the ball past 'keeper Adams into the corner of the net. "The cheer might have been heard a mile away" according to the Leven Advertiser and Wemyss Gazette.

Three minutes later Queen's Park equalised through McColl (the famous R.S. McColl, scorer of a hat trick against England in 1900 and eventual sweetie shop empire owner, nicknamed "Toffee Bob"). He had played for Queens Park at the start of his career and returned to the club to finish his playing days).

Queen's Park then missed a penalty before Dugan scored to put the Fifers 2-1 ahead, the ball going in off a post.

East Fife were worthy of a bigger lead than they had at half time, according to the local press. The East Fife players were given "a steaming mug of meat extract" and the directors increased their win bonus offer from £3 to £4.

In the second half the wind fell to a light breeze. East Fife continued to attack the QP goal, but eventually Queens Park "broke away" and equalised through Hamilton.

Almost immediately, McColl scored what proved to be the winner.

At full time the scoreline read - East Fife 2 Queens Park 3.

According to the local press it looked at times as if it was East Fife who were the big club, such was their domination, especially in the first half.

From the Leven Advertiser and Wemyss Gazette, summing up the match:

"Lovers of genuine sport left the field feeling that they had seen one of the best exhibits of football ever seen in the Kingdom."

"With the rush to the exit gates the referee's whistle ceases and the crowd now responds to the whistle of tramway car conductors and of trains; the people who crowded the back stairs of the houses in Wellesley Road withdraw and, by 5 o'clock the field is deserted; over the tea cups men sit during the night and discuss football and the wonderful hold it has over big and small communities".

McColl was all reputation pictured him, a fearless dashing leader, the life of the line".

Tayport v Lochee Harp in the North End Cup

The Baiker's Bit

Good afternoon to the Port Support and a warm welcome to the players and officials of Lochee Harp. I think we're all a bit disappointed over the outcome of last week's game at North End Park. After totally dominating the first 20 minutes or so and missing so many scoring opportunities, it definitely surprised me when- correct me if I'm wrong- they scored in their very first venture to our end. Our fortunes seemed to be changing in the second half with them gifting us an equaliser and then a tremendous goal from DR putting us 2-1 up. A scoreline which, realistically, could have gone to 4 had we taken another couple of chances.

Make no mistake about it we lost a point here, not because of the bizarre own goal incident, but through missed scoring opportunities and a lack of commitment, especially in the first half, by a number of players. 'Inconsistency' is probably the word to describe the performances of some of our players of late. We can't afford such luxuries at this club. Why? Because every team which plays Tayport knows that they must play out of their comfort zone to take something from us. We must match their effort and commitment. Do so and we won't have too many problems.

Lately I feel that we have carried passengers in spells during games. Certain players are giving me the impression that they are not mentally strong enough to be winners on a permanent basis. A winning side picks itself and, really, there are a number of positions in our side that are not yet in that category. Loyalty can only go so far.

After today's game we have two vital league matches back to back. Now, I'm not saying that the outcome of those games will decide the title, but two victories would keep us well on course. We've got to be up for those games. We can't afford to carry passengers. We need more consistency of performance. I'll be informing our players of my thoughts on this matter. The week prior saw us take both points at Thomson Park. Again I felt that we deserved to win. I can't really recall them having a shot on target. We've now taken 4 from 4 from Lochee United. I wonder how many other clubs will do that this season.

A pleasing aspect of those two league games has been the attendances. More people are coming to watch Tayport - Another reason for our players to respond more consistently with quality performances. I said it before "where the mind goes, everything follows". We must start to focus on what we want. "Set Goals" My aim this season is simple. Win the Scottish Cup and everything else on offer locally. Our players must realise and believe that they can do just that. If they have the desire and belief in themselves, there's no reason why they can't achieve their goals.

This afternoon's Centenary Cup match with Lochee Harp is an ideal place to start. If our players show the required commitment, then I'm confident of winning a place in the next round

" Only one Tayport resident happy with THAT result.....! "

EXTRA

It seems to have been a long time since the last home match, given the previous postponement of this cup tie against Harp. In the main, the various away trips have proved successful, with one notable exception.

Last week's visit to Newtown Park turned into a disaster, with only one Tayport resident in any way satisfied with the result. During the unprecedented four goal defeat, not even the unfortunate injury to home 'keeper David Orr could help, as absolutely nothing went right for the visitors.

An own goal was all that separated the teams at half-time, but defensive lapses meant there could be no comeback, especially given that defensive lapses were definitely not on the Bo'ness agenda.

So, let's concentrate on recent successes. Most important was the Scottish Cup win at Sauchie. On that occasion, 'Port benefited from an own goal, although the hosts did equalise. Barry McNaughton re-established the lead, then, after some second half Sauchie pressure, Tayport regained control. Robbie Henderson with his first involvement, and Steven Stewart, fortui-

tously from his own half, notched the noteworthy goals to complete a fine 4-1 triumph.

It was 3-1 at Thornton the previous week. Gary Middleton, Barry McNaughton and Martin Grant were on the scoresheet before Hibs were awarded a highly debatable late consolation in the Redwood Leisure Cup tie.

Prior to the blank weekend, at least in competitive terms, 'Port had a couple of vital league victories. Three points were picked up at Keirs Park, albeit late in the day. Steven Stewart's cross forced Hill o'Beath's Craig Noble into an own goal, while Martin Grant found the net in the final minute.

Following the three-nil win at North End Park, those six points put Tayport in a solid position title-wise. Unfortunately, some of that good work was undone last weekend, but, on a positive note, the Canniepairt outfit will at least enter the new year as table-toppers.

FESTIVE FOOTBALL ARRANGEMENTS

Well, basically there are none. No official fixtures, anyway, although the players will be in next week for training as usual. However there are no games on Christmas Eve and Hogmanay. The players will train on the Tuesday and Thursday following Christmas and New Year. Indeed there could well be a friendly game on the Canniepairt during the day on each of the Tuesdays. EXTRA

Today sees the return of one of Tayport's favourite sons in the shape of big Brian Craik, a player who holds a place in Tayport history by scoring the goal that won the Scottish Cup in 2003. Big Birdie has scored many great goals in his career, but none has been more important than that one and if you ask him nicely, I'm sure that he would give you a full rundown of the build-up to the goal, how he controlled the ball, turned and placed a shot well beyond the opposing keeper. It gets better every time you hear it!

On a more serious note, I will never forget that it was Birdie whom I met first on arrival at training on my first night in charge of Tayport and the total support and encouragement which he gave me within seconds of meeting him. One of the game's good guys whom all at Tayport would like to wish all the best for his future in the game - as long as it's not scoring goals against us.

Which leads me nicely into today's match which is an important one for us after last week's shocking performance at Bo'ness, where after a decent first twenty five minutes in which we created a few good scoring opportunities, we descended into our poorest performance for a long time, losing some crazy goals and missing chances in front of goal when it looked easier to score. This, aligned to poor passing and dreadful defending, contributed to our downfall. But, as we pointed out to the guys at training during the week, these type of games do happen and it's up to ourselves to forget what is hopefully a one-off performance and learn from it, and never let it happen again.

The run of form which we were in before last week's game had encouraged Derek, Stewart and myself as we were scoring goals freely and at the same time, not losing any. This was very evident in our Scottish Cup win at Sauchie where we started well and scored after three minutes and dominated the game until they equalised on the half hour mark. But we responded again and Barry McNaughton scored a fantastic goal from a great cross from Steven Stewart just before half time.

We knew that Sauchie would come out with all guns blazing after the break and so told the lads to sit in and defend until Sauchie ran out of steam and then hit them with everything. It worked out to perfection with Robbie and Steven sealing the match and a place in the last 32 of the Scottish Cup, setting up a very difficult tie on 14th January against West Super League leaders Renfrew.

Let's hope we can produce a good performance today and build up the momentum for the second half of the season

Cheers, *Keith*
