## IN THE EVENT OF A DRAW.

If the teams are still level at the end of ninety minutes, then 30 minutes extra-time will be played and if that fails to determine the winner, the match will be decided by the taking of penalty kicks.

## THIS AFTERNOON'S PROGRAMME

This programme has been written and produced by Peter Rundo, 4 Crawford Avenue, Gaudry, Newport-on-Tay, DD6 8SG (Telephone (01382) 330356) on behalf of the Scottish Junior Football Association.

The editor would also like to extend his thanks to the officials of both-finals for their ready and willing assistance in compiling this programme and in particular to Dougie Mitchell of Carnoustie Panmure and Abbie Oswald of Tayport.

In addition, my thanks also go to Graeme Finnan of the Dundee Evening Telegraph and photographers Lawrence McNamara, Perth and of George McLuskie, Kirkcaldy for their assistance in compiling today's programme.

OLD PROGRAMMES - The editor is always interested in hearing from anyone who has any pre-1970 Scottish programmes, and particularly old junior programmes, particularly relating to the Scottish Junior Cup. So if you can help please get in touch at the above address.

## Sponsors Welcome

Welcome to this afternoons O.V.D. Cup Final between Carnoustie Panmure & Tayport. O.V.D. would like to offer their congratulations to the teams on reaching The O.V.D. Cup Final and wish both the very best of luck. Today's game will be broadcast live throughout Scotland on Scotsport allowing even more Junior Football fans to tune in to what I'm sure will be an exciting end to the 2004 OVD Cup.

Tayport have their sights set on defending the trophy that they won 12 months ago here at Firhill Stadium. They fought hard to overcome Glenrothes in a very tense semi final and are 90 minutes away from retaining the OVD Scottish Junior Cup.

Carnoustie Panmure have had a fine season in the Tayside league and have shown that they deserve to be in the East Superleague with their performances against some of the top sides in the OVD Cup. Carnoustie were involved in arguably the most exciting O.V.D. cup tie in the many years of the sponsorship when they overcame a 3-1 deficit to win 4-3 against Hill O'Beath Hawthorn in the semi final.

The competition is very special to O.V.D. O.V.D. Rum has been a sponsor of the competition for 16 years in what is one of football's longest domestic sponsorships.

This season we were delighted to announce a two-year extension to our support for Scottish Junior Football's flagship event that will take us through to our 18th year of supporting The O.V.D. Cup.

We enjoy a superb working relationship with The Scottish Junior Football Association and the 163 junior clubs who play in the O.V.D. Cup making it one of the real gems of Scotland's rich football history.

### Junior Football's Number One Supporter

As a supporter of Scottish Junior Football, you'll know that O.V.D. has been involved with the game for many years.

But do you know about the history of O.V.D. Rum?

Did you know for example, that O.V.D. (which stands for Old Vatted Demerara) was first imported to Scotland from Guyana over 150 years ago in 1838?

Also did you know that O.V.D. has always only been available in Scotland, and that it has been created specially for the Scots? The mellow, rich, spicy, full-bodied taste of O.V.D. is legendary throughout Scotland. In fact Scots who account for 10% of the United Kingdom's population consume 36% of the nations Rum.

It is often drunk neat or over ice, but is equally as good with any number of mixers, such as coke, lemonade, peppermint, or fresh lime & ginger beer.

All of this goes some way to explaining why O.V.D. is such a popular spirit amongst Scottish drinkers and why it is Scotland's number one selling dark rum brand.

## From the East Region Secretary

Until the identities of this season's semi-finals made it a certain, never in my wildest dreams did I think I would see the day when I would be secretary of the region that supplied both finalists. Making it even more unbelievable, is the fact that this would have been the case even before East Region was expanded to take in Fife and the Lothians.

So, to say that I am absolutely delighted would be something of an understatement.

And when you consider that the trophy has only come to Tayside on three previous occasions, the fact that either Carnoustie or Tayport are guaranteed to make it four, tells you just how proud I am.

Inevitably, it has provided me with a fixture headache, but given the circumstances, it is one problem that I am more than happy to have to cope with,

But it really is the clubs who have to suffer, rather than me.

## From the Secretary

The biggest day in the Junior calendar has finally arrived, with the long trail that 163 clubs started back in October, now about to reach a dramatic conclusion.

For the second successive season, the final is an all-East Region affair.

Last season, Tayport defeated Linlithgow and the men from north-east Fife, who have shown such consistency in this tournament since their arrival on the scene fourteen years ago, are looking to retain the trophy they won for the second time twelve months ago.

Their opponents are fellow Taysiders, Carnoustie Panmure, who though reaching the final as favourites in 2001 and losing out to Renfrew, are still looking to land the major prize of the Junior game.

Indeed, although this is the second successive season in which two East Region sides have met each other, it is only the fifth occasion all told that this area has supplied both finalists.

With both sides going so well in their respective leagues this season, I am anticipating a very close and competitive final.

Of course, the Scottish Junior Cup has been richly enhanced over the past 19 seasons from the sponsorship by O.V.D. and in thanking the company for their past support, I'd like to reiterate the Association's great pleasure at O.V.D.'s continued support now that they have exercised their option to extend it for a further two years.

This support has been a great vote of confidence for the Junior game and reflects the growing importance and popularity of the O.V.D. Cup competition throughout the country.

I would also like to take this opportunity of once again thanking Alan Dick, the Partick Thistle Chief Executive, whose customary ready and willing assistance, will I am sure lead to another smoothly run operation this afternoon.

Finally, to the officials, players and supporters of Carnoustie Panmure and Tayport, I'd like to congratulate you both on reaching the final, and would, as usual, repeat the Association's plea for sporting behaviour.

I appreciate just how much is at stake, but play hard, but fairly, is my message to both clubs.

Enjoy the games and may the best team win.

Carnoustie are particularly behind with their fixtures and face a three games a week schedule between now and the end of the season.

All I can do is wish both teams the very best of luck and can only guess at the outcome.

However, what I do hope is that all the hullabaloo concerning Firhill as the venue can be forgotten and that the two sides let the folk in the west, and those watching on television, see how good the standard of football in East Region really is.

May the best team win!

Firhill Stadium this afternoon stages its sixth successive O.V.D. Junior Cup Final – the 19th in total.

Firhill was brought up to SPL standards by the erection of the new North Stand that holds 1414.

This brings the seating capacity to 10,300, though currently with the standing area behind the opposite goal still available, the overall capacity is 12,350.

After Hampden, which was the traditional home for this competition from the early thirties until 1981, this ground has had the honour of staging the highlight of the Junior season on more occasions than any other.

Partick Thistle are, therefore, delighted to again welcome the players, officials and supporters of this afternoon's two competing clubs – Carnoustie Panmure and Tayport – neither of whom are on unfamiliar territory.

Tayport appeared in their first ever final here ten years ago and won here twelve months ago, whilst Carnoustie's one and only previous appearance was three years ago when they lost out on penalties to Renfrew.

For the second year running, two East Region sides face each other and like last year, the holders are defending the trophy.

Tayport will no doubt be favourites given their Super League status and indeed, they can still do a league and cup double as they did last term.

Carnoustie, meanwhile, are having a very good season and though they have a lot of games outstanding, a return to the Super League which they surprisingly lost last season is still very much within their sights.

More pertinently, so too is winning this afternoon's final to take the trophy back to Westfield for the first time.

Throw in the fact that this is something of a local derby, an exciting ninety or very possibly 120 minutes is in prospect.

## A BRIEF HISTORY

Founded in 1936, "The Gowfers", as they are popularly known, were formed following the dissolution of Carnoustie Juveniles, a team that had been in existence for many years before then.

Prompting the change was so that the "new" team could play in the Dundee Leagues, as previously they had played in the Angus League.

The club's first colours were green and gold vertical stripes with black shorts, and initially, they played on a park at the top of Lochend Road beside the old Slaughterhouse.

The change to the now familiar Red and White took place in 1948, coinciding with the move to Westfield Park.

The new ground was donated to the club by the late Mr. Edgar Thomson of D. C. Thomson's and as grass was almost impossible to grow there, the pitch at Westfield was constructed entirely by the Committee, from turf carted from the Links by the late Mr. Fairlie Hovell who ran a motor lorry at that time and was a regular attendee at all their matches, home and away, well into his eighties.

The present dressing rooms came after the war, from R.N.A.S. "Peewit" as the aerodrome at the Hatton was then called.

Westfield was officially handed over by a visit from Manchester City, managed by the late "Jock" Thompson a former Carnoustie stalwart who went on to own the '19th Hole'.

Originally the strips were red with white sleeves, and indeed the team was so successful in the fifties and sixties that they were dubbed 'The Arsenal of the North'.

A host of famous sides have graced Westfield, if not for actual games, but utilising the facilities for training, when staying in the town during tours, or whilst playing against either of Dundee's senior sides in various European competitions.

Over the years Carnoustie have won almost every prize open to them, with the notable exception of the O.V.D. Scottish Junior Cup.

The closest they came was three years ago when they lost out to Renfrew F.C. in a penalty shoot-out after beating Shettleston in the semi-final at Dens Park. In addition to this season, they also reached the semi-final stage on two other occasions, falling 2-0 to Camelon at Dens Park in 1952, and 4-2 to eventual winners Bonnyrigg Rose at Tynecastle in 1978.

Many Junior clubs have had players in their ranks who have stepped up to the Senior level, and Carnoustie Panmure is no exception with well over thirty players having made the higher grade. Most notable of these are two famous Scottish international goalkeepers.

First was Bill Brown of Dundee and Spurs fame. The other is Freddie Martin who moved to Aberdeen as an inside-forward, but was converted to a goalkeeper during his National Service with the Army and was, in fact, Scotland's very first World Cup 'keeper.

Winning the D.J. Laing (Homes) Cup in the very last game of the 2000/01 season, as well as being runners up in the O.V.D. Scottish Junior Cup and the Tayside/Fife Cup, rounded off what was the most successful campaign for many years.

Having been founder members of the new Super League last term, the Gowfers were surprisingly relegated at the end of last season, but have enjoyed an outstanding campaign this term, which sees them still well in contention to return to the top league and, of course, finally fill that gap in their roll of honour as they attempt to annex the O.V.D. Cup this afternoon.

## BOBBY'S LAST CHANCE?

Three years ago Bobby Geddes thought that his chance of winning the O.V.D. Cup had passed him by after Carnoustie lost out to Renfrew on penalties.

As he reflected, "I thought it was a never to be repeated occasion, but it just shows you that you can never say never in football."

"At the time, I never envisaged coming here as manager of a side, far less still being involved as a player!"

And until two recent back-to-back defeats, the former Dundee and Kilmarnock keeper has had an outstandingly successful season, losing only five games.

Whilst regaining the Super League status they lost last season remains the goal, Geddes is gladly distracted by the chance to bring the cup back to Westfield Park.

We say only because at the end of the season, the club will be moving to a new ground sited not far from their present ground, but to do so they will have to break new ground on two counts. Firstly, the famous Angus side has never won the cup and secondly and more pertinently as he revealed, "In my four years with the club, I have never been on the winning side against Tayport!"

"But we have plenty of players with experience of the big occasion with myself, Gary Ogilvie, Gary Buick, Wayne Morrison, Ian Wilkie and Grant Miller all having figured in the final three years ago."

"We seem to have reserved some of our best form this season for this competition."

"In the opening round against Turfiff, we played very well and ran out comfortable 5-0 winners."

"In round three, we had to go to Ayrshire - always a difficult area to go - and once we got to grips with Lugar and went ahead, with out playing particularly well, never looked in any danger."

"Just getting our fourth round tie with Vale of Clyde played was our biggest headache. When it finally went ahead at the fourth attempt, we won 7-1 and it was then perhaps that people began to sit up and take notice of us."

"Kilwinning in round five provided us with our prize scalp with Gary Buick nicking our winner after Cameron's penalty had cancelled out Ralph Brand's opener."

"Victory at Kilsyth was thanks to another excellent team performance."

"However, it was the semi-final against Hill of Beath in which we showed true grit because at two down. At the time, I thought we were going out of the competition."

"However, a fabulous second half fight back saw us through. "Having made it the final, we know just how tough it will be because there is no better team that Tayport!"

"Hopefully we can go one step further than three years ago, particularly as I reckon this will be the last chance for myself and one or two others to play in a final, because at 43, there is every possibility that I will hang up my gloves if we win."

"However, I said that before the last final three years ago!"

#### **BOBBY GEDDES** (Team Manager/Goalkeeper)

Signed from Brechin City at the summer of 2000 after a long and distinguished career with Dundee and Kilmarnock. Then moved to Linfield for two seasons, before going to Glebe Park for a further season. Capped five times at U-21 level whilst at Dens, he was also listed in several of the full squads, but never figured. Played in the 2001 O.V.D. Cup Final, he was appointed Team Manager towards the end of the 2002/03 season. Owns a vending machine company.

#### **ROSS McLEOD** (Goalkeeper)

Also with Brechin City, Ross started out with the City Boy's Club, progressing to become City's reserve 'keeper. For a time, he was farmed out to Brechin Vics. Signed in 2002, he has considerable ability and will be a great asset to the club when Bobby Geddes eventually hangs up his gloves. Studying to be a sports scientist.

#### **GARY OGILVIE** (Defence)

Joined from Dundee St. Joseph's at the start of the 1999/00 season. Before moving to Fairfield Park, Gary served Forfar Albion, after service with Dundee, Airdrie and Sunderland. The club captain has a runners-up medal from the 2001 O.V.D. Final, but missed the semi through injury. He is a policeman.

#### **IAN WILKIE** (Defence)

The most cosmopolitan player at Westfield, having played with IK Toró and IF Hagapörjima in Sweden, before moving to Hong Kong Rangers where he spent season 1992/93. Previously, an "S" signing for St Johnstone, where he spent one season. On returning to Scotland, he played for Downfield, but joined the Gowfers from Kinnoull. Also played in the 2001 final, he is a social worker.

#### **GRAEME CHRISTIE** (Defence)

Another recruit from Montrose, he actually first signed for the Gowfers in 1993. He so impressed Brechin boss Ian Redford in a pre-season friendly, that he was snapped up before playing a single competitive match! A local lad, he spent over seven years at Glebe Park. However, when Graeme joined the Fire Service, it didn't fit in with Brechin's policy and he moved on to Links Park, where he spent thirty months, before returning "home" to Westfield.

#### **DOUGIE CRAIG** (Defence/midfield)

A native of Forfar, Dougie was signed by Arbroath. Whilst at Gayfield, he was "farmed out" to Forfar Albion where he spent four seasons before moving to Forfar Athletic for eight years. Made what he calls the biggest mistake of his life by moving to Montrose, staying only four months, going to Brechin City from whom he was signed mid-way through season 2001/02. A bricklayer to trade.

#### **PAUL BAKER** (Defence)

One of the younger members of the squad, having been signed from Arbroath Vics immediately before the start of this season. At Gayfield for three years, he was "farmed out" to the Vics for six months before being released to play in the "Lichties" youth team which reached the semi-final

of the B.P.Youth Cup. Released by Arbroath in 2003, he returned to Ogilvie Park, as Vics had retained an option on him. A painter to trade.

#### **STEVEN NAREY** (Defence/midfield)

Is the son of Tannadice legend Dave and was "farmed out" by Montrose just after the start of this season. Prior to moving to Links Park, was on Dundee's books. Despite his youth, he has made the right-back berth his own and is definitely a great prospect for the future. Works in a telephone call centre.

#### **GRANT MILLER** (Defence/midfield)

Signed for Tayport in 1993 from the amateur ranks, then moved to Westfield in 1999.

Perhaps the most versatile member of the squad, capable of filling various roles, sometimes in the same game. Holds an O.V.D. Scottish Cup Winner's medal won with Tayport in 1996, adding a runners-up one the following year, to which he added a second consolation gong with the Gowfers in 2001. Is employed as a housing officer in Arbroath.

#### **GRAHAM NICOL** (Defence/midfield)

Another of the younger brigade and an excellent prospect for the future, his career began in his native Perth with Bridge of Earn Boys and Kinnoull Boys, before being signed for Jeanfield Swifts by Tom van der Ham. After a season at Simpson Park he followed his boss to Westfield at the start of the 2002/03 season, and is one of four of the previous manager's signing still on the books. Attends university in Glasgow where he is studying risk management.

#### **WAYNE MORRISON** (Midfield)

Previously with Kinnoull, Wayne moved with his work to live in the Carnoustie area and moved to Westfield in 1996. Puts in a power of work in the middle of the park. Also had a spell with Jeanfield Swifts, he was also a member of the losing side in the 2001 final. By day, he is a policeman.

#### **GARRY BUICK** (Midfield)

Moved from Brechin City just prior to the start of the 2000/01 campaign. Versatile, he can always be relied on to put in a "full shift". Spent three and a half years at Glebe Park, and also served Keith in the Highland League. Spent some time at Arbroath, gaining junior experience when farmed out to Arbroath S.C. Was a member of side that lost out to Renfrew in the 2001 final. To trade he is a plumber.

#### **JONATHAN KELLY** (Midfield/forward)

Signed by Tom van der Ham from Perth side Fair City Amateurs at the start of the 2002/03 season, Jon, who is a prolific scorer, has also had a spell under Tom at Jeanfield. He had senior experience with Dundee and Elgin City. Another plumber in the ranks.

#### **RICHE MONTGOMERY** (Midfield/forward)

Another player brought in by Tom van der Ham from Fair City Amateurs in 2002. Plays wide left, is pretty quick, and is one of the players expected to supply the ammunition to the strikers. Richie also has some experience at senior level having been on Dundee's books as a youth. A glazier with a Perth company.

#### **ALLY PATERSON** (Midfield/forward)

Came to Westfield mid-way through the 2002/03 season from Lochee United. A local lad he was once with Celtic under the Y.T.S. scheme. After

being released by the Parkhead club, he joined St Joseph's, but then went amateur, turning out for N.C.R. His performances with "The Cash" caught the eye of Eddie Wolecki, who moved quickly to snap him up for the Thomson Park outfit. Works in a factory in Dundee.

#### **CHRIS WEBSTER** (Midfield/forward)

Moved to Westfield from Downfield during the 2001/02 close season. "Webbie" performed so well during that first season with us that by the end of it, several senior clubs were chasing him with Chris opting for Links Park. Despite notching a few goals, he fell out of favour and subsequently moved to Cowdenbeath, but was soon released. Despite several top Tayside junior sides trying to entice him, he elected to return to Westfield and signed up. A customers relation officer.

#### **STEVEN McALLISTER** (Midfield/forward)

Another of the Perth lads brought in at the start of the 2002/03 season by Tom van der Ham from Fair City Amateurs. Had senior experience with Dundee and St Johnstone. Also a glazier in Perth.

#### **RALPH BRAND** (Striker)

A regular goal-scorer, he started his career with Dundee spending eighteen months before moving to Arbroath. After a spell with Lochee United, he served the three other Angus clubs before his arrival at Westfield from Montrose last summer. Great at holding the ball up, his eye for the "half-chance" make him one to be watched. A self-employed painter and decorator.

#### **RONNIE KENNETH** (Striker)

Rejoined the Gowfers before the start of the 2001/02 campaign after a spell with Tayport. Arguably the most prolific scorer in the Tayside area, having top scored wherever he has played. Once scored seven in a Premier League game against Forfar West End in 1999 during his first spell with Panmure. Plagued by a serious knee injury for some time, he had an operation last July, but returned to action two months ago. A scaffolder to trade.

#### **ASSISTANT MANAGER/COACH**

**IAN FLAHERTY** - Accompanied previous manager Tom van der Ham to Westfield in 2002, having been his assistant at Jeanfield. Played for the now defunct Perth Celtic and then Scone Thistle. Spent half a season playing in Portugal with F.C. Odierne, before returning to Scone. Totalled nine seasons at the R.D.M.Ground in his two stints, before "emigrating" across the water again, but only as far as Newburgh! Two seasons there saw him get icy feet again and he moved back to Perth, to Simpson Park, where he played for a further three years, before moving "upstairs" to help out Tom as a coach. Works as a rep for an agricultural firm.

#### **COACH**

**JIM SMITH** - Recently appointed as a coach. Jim has vast experience having played for Dundee for many years as well as Airdrie. Also has had junior experience having had a spell with Lochee United. Jim played for Lochee United in their Scottish Cup Semi Final at Tannadice and later had a short spell with the Gowfers.

## Friday, 23rd April 2004 - Carnoustie Panmure 4 Hill of Beath 3

So often the penultimate round produces tense and nervy affairs, but this first ever tie at McDiarmid Park produced one of the greatest ever adverts for Scottish Junior Football!

It simply had everything. Seven great goals, some of which would have graced a much higher level of football, not to mention a marvellous fight-back by the Gowfers to gain a place in the final for the second time in three years.

Anyone arriving late missed out on the bonanza because with less than ten minutes on the clock, the Fifers were two ahead.

An attempted Narey clearance cannoned off two onrushing Haws players, falling to the unmarked Lee Dair who superbly curled the ball into the top corner from just outside the area.

A minute later, Bobby Geddes had to pick the ball out of the net again. Straight from the re-start, Conrad Courts collected the ball inside his own half and embarked on a solo run and only finished when he struck a stupendous left-foot drive into the top corner. The action never slackened, and two minutes later Ralph Brand diverted Chris Webster's low cross from the left in off the post.

On the quarter of an hour mark came the most audacious goal of the evening. Lee Dair took a through ball on his chest to send a scintillating lob over the stranded Geddes from 30-yards.

Four minutes into the second half, the Gowfers reduced the arrears. Having won possession on the left, Brand back-heeled the ball into

the path of Richie Montgomery who made no mistake from twelve yards.

Another solo effort after 63 minutes brought the Angus side their equaliser. Jon Kelly drove in from the left and hit a right-foot drive from the edge with the ball deflecting up and over a transfixed Ryan McGurk.

What proved to be the winner of this tremendous tie came four minutes from the end. Substitute Ronnie Kenneth hit the upright with a great drive and when the ball fell to Dougie Craig on the edge of the box, the defender drilled home via a post to secure a memorable victory.

## Friday, 30th April 2004 - Tayport 1 Glenrothes 0

Postie Brian Craik completed another first class delivery to defeat fellow East Super League rivals Glenrothes at Starks Park. The 'Port hero of last year's semi-final and final twelve months ago, struck shortly before the end to set up this afternoon's all-Tayside encounter.

By and large it was a game of few chances, but the best of them undoubtedly belonged to Tayport with Craik twice testing Clive Guppy in the early stages.

Before the break, Barry McNaughton also forced Guppy to look lively when he fired in a 25-yarder.

Hard-working Glens had their best spell of the match at the start of the second half, and right from the kick-off, had penalty claims rejected when Benny Andrew went down in the box. But apart from an angled Andrew header, Fraser Fitzpatrick in the 'Port goal was rarely inconvenienced!

However, it was at the other end, that the first real clear-cut opening came after 57 minutes.

Barry McNaughton motored up the left before picking out Craik in the middle with his cross, but the unmarked striker blazed the ball over the bar.

As the minutes ticked away, Tayport turned up the heat and the Glens goal had two or three narrow escapes before Craik came up with the winner.

It was a tragedy for Glens defender Gilbert Allan who had hardly put a foot wrong.

However, he was caught in possession, allowing 'Port sub Christie to race up the right wing and cross for Craik to steer home a left-foot shot and book a place in the final.

#### DEREK WEMYSS (5)

The defender is in his fourth season at Canniepairt after moving from amateur side Riverside Athletic. Missed the 2002 semi-final tie against Linlithgow Rose through injury then suffered a tragic leg break in a Super League win at Linlithgow in August the same year. Made a full recovery, but missed out on last year's triumph. Injury again counted him out of this season's semi at Kirkcaldy. Happily, though, he has recovered and has been on the bench for the last couple of games. Works as a fitness instructor.

#### BRIAN CRAIK (6)

Experienced player who has been at Tayport since 1998 after moving from Carnoustie Panmure. Despite suffering a bad leg break whilst with Panmure, the popular 'Birdie' recovered well and has made a significant contribution to Tayport's successes in recent times, none more so than with the winning goals in both the semi-final and final of last season's OVD Scottish Junior Cup Final. His versatility has seen him turn out in defence, midfield and as a striker. Is currently the club's top scorer and though a postman in Dundee, his abode is in Tayport.

#### ALLAN RAMSAY (7)

Has played in three OVD finals since joining Tayport from Carnoustie Panmure in 1995. A tier-like midfielder player who has played 61 OVD cup games for 'Port, scoring three times. Is employed as a retail manager with a plant hire firm.

Team captain, Junior Internationalist and veteran of three OVD finals and 62 ties in this competition. Steven's career at Canniepairt has been notable for a series of spectacular and important goals. Works as a joiner.

#### RALPH HUNTER (9)

Striker signed two seasons ago from St Andrews United. Previously played senior with Cowdenbeath and Raith Rovers and junior with Glenrothes and Thornton. Injury has interrupted his 'Port career and often prevented a consistent run in the side. Runs a pub in Methil.

#### JOHN ELLIOTT (10)

Midfielder with powerful shot. Debuted for Dundee FC in 1997, 'Chalkie' was a member of the Dens squad which won the First Division Championship in 1998. Was man of the match in last week's NCR Cup Final win over Lochee United.

#### SEAN CHRISTIE (11)

Striker signed during this season's 'window' from Dundee North End. Holds the record of being the youngest ever player to play Senior football in Scotland when he made his debut for Forfar Athletic at home to Berwick Rangers in November 1995 aged 15-years. Is a Sports Development Officer with Dundee City Council.

#### ROBERTO MORRIS (12)

Signed last season from second division Forfar Athletic and quickly settled to form an effective central defensive partnership with big Bobo Ward. Buyer with Texol Technical Solutions plc.

#### BARRY MCNAUGHTON (13)

Attacking midfielder player in his third season after moving from Lochee Harp. He is the brother of Aberdeen's Kevin. Works as a security systems engineer.

#### GARETH DAILLY (14)

Midfield player signed from Montrose FC three years ago. Previously with Dundee United and Bankfoot Athletic. The cousin of Christian Dailly is a set piece specialist and is a sports development officer with Dundee Council.

#### ROSS GUNNION (15)

The Perth based full-back was signed from Bankfoot Athletic in 2001 after impressing manager Dave Baikie whilst playing for the Perthshire team. Suffered the ignominy of being ordered off in last year's OVD Final for collecting two yellow cards. Is a quantity surveyor by profession.

#### BEN HONEYMAN (17)

Australian born striker who signed on at the Canniepairt this season. Hasn't had the best of luck with injuries during his career. Made a scoring

debut for Dundee United, netting the winning goal against Clydebank in the quarter final of the 1996 Scottish League Challenge Cup. Moved on from Tannadice to Forfar Athletic, East Fife and Brechin City before joining 'Port. A manager with the Royal Bank of Scotland, he hasn't featured in recent squads.

#### DAVID EVANS (19)

Just returned to the club on a delayed transfer from Raith Rovers for whom he signed at the start of this season. Joint top scorer for Tayport last season (with Brian Craik). Originally signed for Tayport in 2000 from Arbroath FC. Returned to the club from Raith Rovers just before the March transfer deadline.

#### KEVIN HEENAN (21)

Attacking midfielder, Kevin joined Tayport from Arbroath FC earlier this season. Was a first team regular at Gayfield with whom he won promotion to Bell's Division One in 2000/2001. ## A BRIEF HISTORY

Tayport had a junior football team at the turn of the 19th century and won the East Fife Cup in 1905, a competition, incidentally, which ended in 1973, with Newburgh being the last club to win this particular cup. Junior football in Tayport was relatively short lived and ended with the outbreak of hostilities in 1914.

The present club was founded in 1947 as an amateur club. The Amateurs at this time mainly comprised local youngsters who had entered the team in the Midlands Alliance League, a league essentially for clubs' reserve XI's. Their local rivals, the Violet played in the top league. By 1950 the Midlands Amateur Football Association was expanding and in the re-organised leagues both the Violet and the Amateurs found themselves in Division Two. Promotion was swift and the two local sides finished the season in first and second spot respectively. 1952-53 saw the Violet and the Amateurs finish second and third in the First Division behind the champions YM Anchorage who, incidentally, had won every title since 1933. Then suddenly, Violet were gone! Despite finishing runners-up, it was their last season.

There were contrasting fortunes for the Amateurs during the fifties and sixties but, despite those often quite desperate times, what was important was the fact that the club survived. The seventies was a reasonably successful era with the club establishing itself as a major force in the amateur game, going on to lift the Midlands League Championship in 1981/82 and reaching the semi-final of the Scottish Amateur Cup in 1985/86.

In 1980, the club, which since 1953 had run no kind of second string, started another team - the Fife XI - which was to enjoy 11 successful seasons in the East Fife Amateur Association and, for one season, the Kingdom Caledonian League. Junior football in the town wasn't resurrected until 1990 when the present Tayport FC was admitted to membership of the Scottish Junior FA in time for the 1990/91 season.

The club had played their matches on the East Common but moved to the present ground, the Canniepairt, in 1974, building (and subsequently extending) a pavilion and creating a playing pitch on what had previously been grazing ground, but at that time was waste ground leased from Tayport Town Council. The committee, several of whom are still office bearers of the club to this day, gradually improved and upgraded facilities thanks to their own and the efforts of many willing townspeople.

The club has steadily grown in stature and the recruitment of Dave Baikie (joint manager in the first Junior season with Peter Marr in 1990 was the springboard for unprecedented success in the Junior game.

And recently, the Tayport connection was strengthened at Dens by the appointment of Bob Brannen as Chief Executive at Dens, having played with Every honour in the game has been won and there have been five Scottish Junior Cup final appearances during the subsequent fourteen years.

It is a period during which the club has become the area's, indeed the country's, most successful junior club dominating Tayside Junior football in unprecedented fashion, winning every competition open to them including the OVD Scottish Junior Cup in 1996, and of course, adding a second cup triumph twelve months ago.

In addition a number of players have collected Scottish Junior International caps. The amateur sides gradually dwindled until in 2001, the club resigned its membership of the Midlands AFA, leaving the club with only a Junior team. The emergence last season of the Whyte & Mackay East Region Super League took Tayport on to a new level as they topped a league, containing the cream of East Region Junior football.

Very much a community based club, Tayport FC's main sponsor since 1994 has been Tayport-based industrial textiles manufacturers Scott & Fyfe Ltd, a major employer in the town and a company with interests in many parts of the globe. So you can see for a club so tender in years, their exploits in the game, both locally and nationally, are almost without parallel.

The very fact that they are contesting their fifth final since reaching this stage for the first time a mere eleven years ago, indelibly endorses their tremendous pedigree.

## DAVE BAIKIE RELISHES THE CHALLENGE

Dave Baikie

As Dave Baikie leads his side into an O.V.D. Cup Final for the fifth time in eleven years, the fact that it is against side that he knows so well presents a different kind of challenge.

He commented, "Although we have only played Carnoustie once this season, we know each other so well, and to a certain extent I am missing out doing the usual homework that I have to do on our cup opponents.

"Indeed, because we probably know each other inside out, I think that with what is at stake, that this is going to be one of our most difficulty games of the season."

In their only meeting, Tayport came out on top 3-0 thanks to a Dougie Craig own goal and goals from Sean Christie and Brian Craik.

However, the 'Port boss is placing little store in that result.

"The outcome of that game very much hinged on the error which led to the opening own goal, because until then there had been little between the teams."

Despite having been over the course for time already, Tayport's managerial talisman is no less enthusiastic about this final than his first eleven years ago.

"Back in 1993, our semi-final win over Auchinleck was probably our final and getting through to meet Glenafon was the breakthrough for not only us but Tayside region given that we were the first side in almost forty years to make it that far.

"So winning it in 1996 was made that bit easier by our experience three years earlier, but it was still a fantastic feeling to win.

"However, it was very disappointing to lose out to Pollok a year later especially as Danny Diver who went on to score two of their goals in their 3-1 win should have been sent off for a reckless challenge that went totally unpunished.

"In last season's final, we gained revenge over Linlithgow who put us out in the semi-final a year earlier, showing that we have become pretty streetwise at what is required on these kind of occasions. Though as history shows retaining the trophy is going to be far from easy.

"Yes, we have gained in confidence from so much involvement in these big games, but by the same token, teams give us a lot of respect and that is the biggest challenge we face this afternoon!"

Not for the first time, Tayport's path to the final has been circuitous, though it started off in slightly comfortable enough fashion than the 4-0 scoreline at home to Wilson's XI may suggest.

Dave reflected, "Three late goals exaggerated the difference between the sides as we opened our defence of the trophy.

"We were again at home in the third round and Kirkintilloch set out their stall to frustrate us which they succeeded in doing to earn a replay.

"It was a very different story in the replay because we hit four great goals and the game was effectively over with less than half an hour gone.

"That gave us a very tough tie with Arniston and in a very cagey game and though they had a good chance late on, we won the replay with a late goal.

"At Forth in the following round, on their notoriously poor pitch, we went ahead thanks to Barry McNaughton, and looked comfortable especially as they were down to ten men, but an unfortunate own goal by Grant Paterson earned them a replay.

"At Canniepairt, they went ahead against the run of play and there were just under twenty minutes left when Gareth Dailly finally equalised and we had Steven Stewart to thank for getting the winner when he hammered home a free-kick.

"It was a good polished professional performance which got us through against Cambuslang on a heavy pitch with Brian McNaughton hitting the winner early on and thereafter we restricted them to only one real chance.

"And it was a similar story against Glenrothes in the semi, the only difference being that Brian Craik's winner was late in the game.

"Obviously, it is a great achievement for all concerned to have reached our fifth final, but it has been tougher and we know that Carnoustie, particularly after their semi-final performance will make it, equally tough for us this afternoon, but we are ready and relishing the challenge of trying to retain the trophy."

# O.V.D. Scottish Junior Cup Final Snippets

## LETTING IT SLIP

This season, incredibly for the sixth time in the last eleven years, the holders have reached the final the following year. Reigning champions Tayport, however, will hope they fare better than the previous five, because not one side, the men from the Canniepairt included, has managed to retain the trophy!

This amazing sequence started in 1993 when Glenafton defeated Tayport. Huge favourites to retain it when they met Largs Thistle in the following year's final, Alan Rough's side were shocked, going down 1-0 at Ibrox.

The following season, in an all-East Region final, Camelon beat Whitburn 2-0, but the Mariners then lost out to Tayport twelve months later.

The same fate befell the men from Canniepairt as Pollok beat them the following year and Arthurlie's 4-0 win a year later saw Pollok suffer the same scenario.

The curse continued in last season's final with Tayport taking the mantle of winners from Linlithgow who had accounted for Auchinleck Talbot in 2002.

And talking of The 'Bot, they were the last side to successfully defend their crown, having beaten Glenafton in 1992 after the previous year's victory over Newtongrange Star.

The Ayrshire side are the only ones to have retained the trophy twice.

Indeed, they are the only team to have done the hat-trick, being the holders in 1986, 1987 & 1988.

Prior to that, in more modern times, only Cambuslang Rangers, who dominated the late sixties and early seventies when they lifted the trophy four times in six years, have managed to hold on to their crown. Having annexed the cup in 1971 after beating Newtongrange Star, they beat Bonnyrigg Rose a year later.

You have to go back to the very dim and distant past to find the other two occasions on which the trophy has been retained!

The nineteenth century to be precise! Burnbank Swifts were the third name to be etched on the trophy in 1889 and had it added again a year later.

The only other side to prevent the trophy from being wrenched from their grasp when trying to retain it was Ashfield, who won it in 1894 and again a year later. There have been plenty of other failed attempts. The following all falling into that category:- Maryhill (1901), Parkhead (1904), Kilwinning (1910), Parkhead (1916), Pollok (1986).

So Tayport are seeking to become only the fifth club to achieve what is after all a remarkable feat.

## FINAL ATTRACTION

Tayport are making their fifth appearance in the final, whilst this is the second final in which Carnoustie have appeared. The full list of clubs to have made three or more final appearances is as follows.

11 - Cambuslang Rangers  
10 - Petershill  
9 - Parkhead  
8 - Kirkintilloch Rob Roy  
7 - Auchinleck Talbot, Burnbank Swifts/Athletic  
6 - Ashfield, Maryhill, Rutherglen Glencairn, Benburb,  
5 - Bo'ness United, Irvine Meadow X1, Pollok, Tayport

3 - Bonnyrigg Rose, Camelon, Cumnock, Glasgow Perthshire, Johnstone Burgh, Kilburnie Ladeside, Kilsyth Rangers, Larkhall Thistle, Newtongrange Star, Renfrew, Whitburn.

2 - Bonnyrigg Rose, Camelon, Cumnock, Glasgow Perthshire, Johnstone Burgh, Kilburnie Ladeside, Kilsyth Rangers, Larkhall Thistle, Newtongrange Star, Renfrew, Whitburn.

## SIZE OF THE FIELD

The Scottish Junior FA was instituted on 2nd October 1886 with 39 clubs entering the first tournament under its auspices in 1886-87. Two long-since defunct clubs contested the first final in 1887 - Fairfield defeating Edinburgh Woodburn 3-1 at Angle Park, Govan. This season's entry was 163, but the record entry was in 1922-23 when a staggering 412 clubs set out on the long trail which, that season, led to Tynecastle.

Around 20,000 witnessed an all-East final in which Musselburgh Bruntonians defeated Arniston Rangers 3-0 with goals from Waterston (2) and Ralton.

## FIRST PENALTY DECIDER

The 2000 final was the first to be decided on penalty kicks. It finished 2-2 after extra-time with all the goals coming in the regulation 90 minutes. It was Whitburn, who also won through their semi-final against Benburb on penalties, who held their nerve to eventually triumph 4-3 against Johnstone Burgh in the penalty shoot-out.

But, of course, penalties were also necessary two years ago when Carnoustie made it to the final for the first time, but it was Renfrew who ran out 6-5 winners in a protracted penalty shoot-out after 120 minutes play failed to produce a goal.

## BIGGEST WINS

Whitburn, winners four years ago, have something of a skeleton in their cupboard because their 6-1 reversal at the hands of Bonnyrigg Rose in the 1966 final replay at Hampden Park equalled the biggest defeat in any final.

In fact, clubs jointly from East Region share this honour, Tranent having

established the record by pounding Petershill by the same score in the 1935 final, which was staged at Ibrox in front of 22,000.

Petershill have also won by five clear goals with their 5-0 defeat of Denny Hibs at Firhill in 1912. This ground was also the setting for the record aggregate total, Maryhill Hibs beating Burnbank Athletic 6-2 with around 8,000 attending the 1928 final.

## BEST INDIVIDUAL SCORING EFFORTS

Two players share this honour. Gray of Maryhill Hibs hit four goals against Burnbank Athletic including two from the penalty spot, scoring half of the eight goals in that record aggregate score which the 1928 final produced with Maryhill running out 6-2 winners.

More recently, 1955 to be precise, Alex Querrie scored all the Kilsyth Rangers goals in a 4-0 win over Duntocher Hibs after the teams had drawn 0-0 in the first Hampden meeting.

## HIGHEST & LOWEST ATTENDANCES

The record attendance for a Junior Cup Final was 77,560 when Petershill and Irvine Meadow clashed at Hampden in 1951. The gate receipts totalled £6,381. The boom years after the war were responsible for some incredible terracing assemblies.

Witness the 69,959 who attended the Kilburnie Ladeside - Camelon final the following year!

By comparison, the 1997 Final between Pollok and Tayport was only watched by 3,523 - the lowest known recorded crowd. How times have changed!

Incidentally, a crowd of 4,613 watched Tayport's win over Linlithgow Rose in last year's final.

## SIXTEENTH O.V.D. FINAL

This is the fifteenth season in which O.V.D. has sponsored the tournament. The first final to be played under their banner was in 1989 at Rugby Park when Cumnock edged out Ormiston Primrose 1-0.

## CUP PAYOUTS

O.V.D.'s sponsorship money is worth £32,000 to the clubs. Each of the beaten quarter-finalists receiving £1,000. The four semi-finalists collected £3,000 each and today's finalists will each be in line to collect a further £8,000.

As the Scottish Junior FA want this to be a showpiece occasion, any bookings will cost the clubs £100 with any sending-offs seeing a further deduction of £200.

## SJFA AGM

This year's AGM will take place at The Beach Ballroom, Aberdeen on Saturday, 19th June 2004.

## CLOSE CONNECTIONS

### 'PORT PREVAIL

Though Carnoustie and Tayport have missed out on league action this season, the pair are old adversaries on Tayside.

Indeed, up until the Gowfers surprise demotion from the Super League last season, the pair have met each other on no less than forty occasions over the past fourteen seasons since Tayport's arrival on the scene. The 'Port have had very much the better of things, but there again, that is the kind of record they have against most teams as the full list of results shows!

^ Carnoustie won on penalties

### FAMILIAR FACES

Perhaps the most striking feature of today's final is the fact that two players from either side have had spells with both clubs.

Indeed, although Carnoustie have never won the trophy, Grant Miller possesses a winners medal from the 1996 final when Tayport beat Camelon 2-0.

Indeed, Grant has played in the final for both clubs!

Ronnie Kenneth, meanwhile, also had a spell at The Canniepairt and was a member of the Tayport side beaten by Linlithgow in the semi-final two years ago.

In The 'Port's ranks, Brian Craik, who has made scoring in the advanced stages of this competition his speciality, previously saw service with the Gowfers.

Brian Craik celebrating his goal in this season's semi-final.

He bagged the only goal of the game in last season's semi-final against Maryhill and repeated the dose in the final against Linlithgow.

Lo and behold, but the big postie did it again this season by netting a late counter against Glenrothes.

The other 'Port player with Gowfer connections is Allan Ramsay who like Craik was also in Carnoustie colours in the one and only previous O.V.D. tie between the pair.

### ONE PREVIOUS TIE

That previous tie was a fifth round meeting in 1995 and played at The Canniepairt.

An otherwise evenly contested ninety minutes of few chances was settled by a goal eighteen minutes from the end.

Even although Grant Miller was sent off eight minutes into the second half, the game still went Tayport's way,

player/manager Lex Richardson became the second player to be sent off for a second booking two minutes from time.

STEVEN STEWART...The 'Port's matchwinner nine years ago.

Ramsay, Christie, Mark Kelly, Richardson, Kidd, Hendrie, Robertson. Subs: Kidd, Hendrie, Hailstones.

### THREE TAYSIDE SUCCESSES

Remarkably, Tayport are one of only two teams from Tayside to have actually won the Scottish Junior Cup. And, of course, they have done it twice - in 1996 and last year!

Yet, the only other side from the area to have lifted the jewel in the Junior crown is Dundee Violet.

They certainly did it the hard way.

On 25th May, 1929, Dundee Violet beat Denny Hibs 2-0 at Tynecastle.

The presentation of the cup was postponed as Hibs

Steven Stewart driving the winner after being set by Jackie Devine, ironically later to play for the Gowfers, and who was on the bench for them in the final three years ago.

Stewart is one of two survivors in the Tayport ranks, though, of course, Craik and Ramsay were in opposition to their present team-mates.

Although the Gowfers put in a powerful finish, Tayport held firm and it really was all over when

The teams that February afternoon nine years ago were Tayport: Mann, Miller, Paterson, Nicholson, Somerville, Wilkie, Hunter, Stewart, Mackay, D Reilly, Devine. Subs: P Reilly, Maher, Cameron, Vannart, Irons.

Carnoustie Panmure: Anderson, Forsyth, Mark N Kelly, Craik, Cranston, Will,

protested that John Nelson, Violet's outside right, was a signed Dundee player.

It was proved that he signed for Dundee on 26th April and registered on 1st May.

The tie was replayed on 1st June and the sides drew 2-2 at Tynecastle in front of 10,341 spectators.

The second replay was played at Dens Park and 9,558 saw Dundee Violet win 4-0 on the 8th June 1929 with Wilson and Reilly both bagging braces.

Again Hibs protested. This time over Violet's player Pryde who was claimed to be on Dundee's retained list. However, nothing came of that protest and so the cup went to Tayside for the first time.

Until Tayport and Carnoustie's recent exploits, only Lochee Harp from this area had even reached the final stage.

They did so in 1954, but lost out to Aberdeen Sunnybank.

Which make it all the more remarkable that this season's final is between two sides from that region.

And that means that a fourth Tayside success is certain this afternoon.

John Nelson may have been the subject of the protest, but as you can see a winners medal was still struck for him!

\* Tayport football Club would like to send their best wishes to Fred Brebner.

The former Canniepairt committee man is a very keen supporter, but illness prevents him travelling to Firhill and so he will miss his first Tayport final.

In wishing him a speedy recovery, the Club look forward to seeing him back at the Canniepairt in the not too distant future.
