## A Word from our Chairman

A warm welcome to our fans for this afternoon's league game and a warm welcome also welcome to the players and officials of Thornton Hibs to Tayport.

Last week's League Cup section game against Downfield was always going to be difficult for our players following the departure of our manager. I didn't see all the game but we seemed to start well, were the better side at that stage and deserved to take the lead.

The big turning point in the game was the rather rash tackle by Craig on the experienced Paul Blackwood which resulted in a penalty and a straight red for Craig. Of course this left us with an uphill task with only ten men and 70 minutes to play but in fairness, we coped well and at 2-2 we had a great opportunity to take the lead but failed to take the chance. I was starting to feel that we could win this but our defensive frailties raised their head again.

Our saving grace is that it's not all over. We've still an opportunity to advance in the competition but now need to win all three remaining games in our section.

A little update now on progress on the former Tayport Thistle changing rooms. You'll be aware that it is now in place within our grounds and all going well a new profile sheeting roof should be in place within the month. This will then allow us to work away on the internal refurbishment.

For me, Thornton Hibs are very much the most improved side in our division, so this won't be an easy one today, especially as we will be forced to start the game minus a few of our most experienced players. Once again it's vital that our players show the attitude and commitment necessary to succeed. If we do then we can achieve a victory

*Enjoy the game.*

## Today's Game McBOOKIE East Super League Tayport v Thornton Hibs

A warm welcome to Thornton Hibs' committee, players and supporters on their first visit to the Canniepairt on league business for 13 years.

Hibs have been a bit of a yoyo club in recent seasons.

Promoted in 2015 as North Division Champions (although the East Region official league table for that season still shows Downfield as champions, despite the Dundee side being stripped of the title for fielding an ineligible player), relegated in 2016 and promoted again in 2017, missing out on the championship to Kirrie on goal difference.

### Yoyo days over?

A 6th top placing in last season's Premier Division demonstrated that Hibs were becoming a side with which to be reckoned and this season's form shows that is indeed the case. Hibs are the form team of the Super League and, in third top spot they are well placed to take advantage of any slip by Lochee United.

### Settled nucleus

Thornton have the nucleus of a fairly settled team and this has been the key to their impressive

form during the last couple of months which sees Hibs looking for a seventh successive victory this afternoon.

Manager Craig Gilbert is the main man at Memorial Park and has overseen Thornton Hibs' steady development both on and off the park to a their current position as one of the Super League's top sides.

Probably the East Region's longest serving manager, Craig has been at the Memorial Park helm for 10 years

### U19s step up

Any player shortages for whatever reason have often been offset by pulling in players from the club's Under 19s XI for the bench

### Super League top scorer

The long serving Garry

Thomson, who has been a prolific scorer in his ten years at Memorial Park is again the team's current top scorer and is currently the leading Super League striker.

### Midweek friendly win

Tayport got the Downfield League Cup defeat out of their system with a 3-0 friendly win over Cupar Hearts in midweek with goals from Dayle and Josh. Unfortunately defenders Craig Sturrock and Conor Gray failed to last the course after being taken off injured so could be doubts for today.

At the time of writing there's been no white smoke emanating from Canniepairt so there's nothing to report on the managerial situation and Jamie Mackie and Grant Paterson are likely to still occupy the home dugout today.

### Well prepared

Thornton will have done their homework on Tayport and be looking to continue in their rich vein of form and a second top place is the carrot for a winning performance today. Hopefully by 3.45 pm or thereabouts Tayport will have halted that run.

## Scottish Football Pyramid Update

This email from the SFA's Chief Executive Ian Maxwell (pictured) confirms that from next season the Junior FA will be in the Pyramid at tier 6 - same as East of Scotland League - which will feed into the Lowland League

scottishjuniorfa

**From:** Ian Maxwell  
**Sent:** 25 October 2018 16:18  
**To:** Chairman; Alan McRae; 'Alistair Wilkie'; 'Andrew Waddell'; 'Colin Holden (SoS)'; 'George Fraser'; 'Iain McQueen'; 'Richard Osborne'; 'Rod Houston (SHFL)'; 'Rod Petrie'; Rod Petrie; scottishjuniorfa  
**Subject:** RE: Statement

Good afternoon all

I write to inform you that at the PGB meeting held earlier this week there was approval of the revised tier 6 structure as noted below.

There is a sub group meeting organised for 14<sup>th</sup> November to discuss the matters requiring consistency across that tier with a view to commencing for the 2019/20 season.

Statement is below for info which the Scottish FA will publish in due course.

*The senior football pyramid was established in Scotland in 2013 with the introduction of the Lowland League sitting alongside the Highland League as a new "Tier 5" allowing promotion to and relegation from League 2 of the Scottish Professional Football League. The East of Scotland League and the South of Scotland League feed, in similar manner, into the Lowland League, forming "Tier 6" of the Pyramid.*

*Since then, discussions have taken place within Scottish football about increasing the geographical spread at tier 6.*

*The Scottish FA re-convened a Pyramid Working Group chaired by the President, Alan McRae, at the start of the year to progress these discussions, taking cognisance of the number of clubs which had recently joined the East of Scotland League to gain access to the Pyramid and the most recent Scottish Junior FA AGM when junior clubs voted to embrace the Pyramid.*

*The Scottish FA is pleased to confirm that at its most recent Pyramid Working Group meeting consensus formed around admitting the existing Scottish Junior FA West Region and East Region leagues. The Scottish Junior FA will continue to administer both leagues with the top division in each region forming part of an expanded Tier 6 with connectivity to the Lowland League.*

*Work will continue within the Pyramid Working Group to standardise player disciplinary rules, registrations and fixture scheduling across the East of Scotland League, the South of Scotland League, the West Region and the East Region of the Scottish Junior FA and the Lowland League to ensure the smooth delivery of promotion and relegation between Tier 5 and Tier 6 of the Pyramid.*

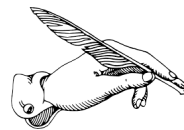

*This is an important development within Scottish football, allowing ambitious clubs progression from grass roots to the highest echelons of our professional game and improving standards.*

*Discussions will also begin between the Highland League and the Scottish Junior FA North Region to explore appropriate access to the Pyramid in the north of the country.*

*It is anticipated that the new structure, including a new play-off format, could be in place for the start of the 2019-20 season.*

Kind regards

## DUNMORE'S Match Report

Tayport went into last week's East Region Cup sectional tie at home to Downfield with Grant Paterson snr and Jamie Mackie overseeing the team from the dugout, as the previous weekend's calamitous Scottish Junior Cup exit had signalled the end of Charlie King's relatively brief tenure in the hot seat. While Downfield won the match with a late goal, Paterson and Mackie had done well to galvanise almost all of the players and the performance against the Spiders could be considered to have been a mostly positive one.

'Port struck first, on 18 minutes, when Dayle Robertson latched onto Ryan Suttie's fabulous ball over the top, then twisted and turned, before shooting low past 'keeper Clark-son. Within a short space of time, Jamie Gill, Steven Harris and Robertson all found themselves in good positions, with players in support, but could not find the end-product.

From that last opening, Downfield broke upfield and earned a penalty kick. Veteran striker Paul Blackwood was the player who threatened Tayport's rearguard and he was taken down by Craig Sturrock, Tayport's last man. Sturrock was ordered off and Bryan Duell netted from the spot, with 38 minutes on the clock. Another one-time Tayport player, albeit briefly and sporadically, Connor MacLeod, then glided through to tuck away a fine finish and give the Spiders a half-time lead.

However, after the break, the Canniepairt outfit took the game to Downfield and the ten men equalised in the 55<sup>th</sup> minute, when Dayle Robertson smashed home his second of the afternoon, from a tight angle.

Robertson had a hat-trick chance midway through the half, but took too many touches inside the box and the opportunity was lost. When Robertson looked set to break clear again, he was clipped by central defender Garden and it was Downfield's turn to have a man sent off. The resultant free kick came to nothing though, and it would be the opposition who would have the better of the closing stages.

Slack play by Gavin Sorley almost gifted MacLeod a goal, but he missed the target from close range. Then, things began to unravel. Nathan Scott burst down the right for the Spiders and he found MacLeod, who netted what proved to be the winner. In the aftermath of that counter, the management was tested by the goalkeeper, whose behaviour left much to be desired, and he was promptly substituted, in what was a highly disappointing conclusion to the match.

Let's hope for a cohesive performance today, as we get back to Super League business with a match against Thornton Hibs.

Support the 'Port!

## How are the defectors doing?

The end of last season saw the greatest upheaval in Scottish Football in modern times when 24 East Region JFA clubs and 1 West Region JFA club abandoned the Junior game to join the East of Scotland League and thus gain access to the Scottish Senior Football Pyramid.

The clubs who left all had their reasons, whether it be a reduction in travel costs, time away from home for matches, more derby games, maybe the anticipation of untold riches flowing into their coffers, a genuine desire to reach a higher grade of football or maybe they just went with the flow. For other clubs their geographical position made a move to the Seniors a non-starter. Next season we'll all be together again in tier 6 of the pyramid (see page 12), although they will still be Seniors and we'll still be Juniors.

### How have things gone?

Well, some clubs have had to spend a bit of time and cash on making improvements to their facilities and match day arrangements (Juniors to follow suit on admission to the pyramid??)

Some will have seen a reduction in travel costs and some will have seen an increase in gate receipts and associated spend. We always knew that Senior or not, the on-field standard of the EoSL wasn't particularly high and this would appear to be borne out by the current league placings in the 3 Conferences.

Only when we come to the end of a full season will the clubs who moved be able to assess the full picture.

## 114 years ago - FROM THE ARCHIVES Sept/Oct 1904

When **Tayport** and **Thornton Rovers** were drawn together in the East of Scotland Cup 1n 1904, it turned out to be quite a tie. Played at Tayport, the tie was well reported with articles in no fewer than seven newspapers. Tayport's ground was both described as East Common and Burnside Park, no doubt one and the same, the burn being that which separates the Canniepairt from the East Common today. Tayport won the first game 2-1 on 10th September. The **Dundee Evening Post** reported "**Fouls were the order of the day, Tayport if anything being the worst offenders**". E. Oswald (2) and McLaren for Thornton were the scorers, the winner coming in the last minute. Thornton however protested that the crowd had encroached the field of play owing to there being no barrier in place, a breach of Rule 28. A subsequent meeting of the East of Scotland Junior FA in Edinburgh upheld the appeal and the game was re-scheduled for 1st October, again at Tayport, no doubt following the erection of an appropriate barrier.

**Tayport** fielded Coss, A. Oswald, Gowans, N. Oswald, Cowie, Caird, E. Oswald, Rae, Hill, Campbell, Wilkie. **Thornton** team was from Sinclair, Mercer, Brown, Wallace, Wilson, Carmichael, Somerville, Roughhead, Simpson, Thomson, Adamson, McLaren. Referee was Mr Dryburgh (Lassodie). Kick off was 4pm

Under the headline "**Rousing Game at Tayport**" the **Dundee Evening Telegraph** reported the replay thus

"The roughest game ever seen at Tayport" was the opinion of all who witnessed the match between Thornton Rovers and Tayport on Saturday. It was apparent from the very beginning that the game was to be a fast one and before many minutes play the referee was issuing warnings, one of the backs being the chief offender. Subsequently the game was several times interrupted by the very questionable tactics of the visitors, and free fights were engaged in, the referee being powerless. It is to the credit of one or two of the visitors that they did their utmost to soothe the offenders and the game was resumed: but the homesters were putting plenty of vim into their play especially the two Oswalds, and a third point was added by Campbell, catching a beautiful pass from Wilkie and banging it into the net. [Ed's note: point means goal in 1900s reporting style]

The unruly scenes still continued, and it was a relief when the whistle sounded, finishing up the roughest game ever seen in Tayport with the score standing Tayport 3; Thornton Rovers, 1. "**Free Fights Amongst Players**" ran the **Evening Post** headline.

Reviewing the match during the following week the **Evening Telegraph** reported - "Shortly after the interval one of the most rowdy affairs ever seen at a football match in Tayport took place. Most of the players took part in a general 'melee' and the referee would have been quite within his power if he had put a few of them off the field.

This is what gives the game a bad name, and it is to be hoped that after this the players will learn how conduct themselves on the field of play"

**Hopefully we will witness a more genteel affair this afternoon**

## Home Draw for Hibs

Thornton have been favoured with a home tie in the 4th round and will be well fancied to make the last 16 at the expense of a Renfrew side which is holding up the West Region Premiership.

North End and Carnoustie also have home ties against sides from that division whilst Lochee United and Violet, although they both have to travel, will be happy enough with ties at Carlisle Rovers from the 4th tier and Girvan, struggling at West Region Championship level, respectively.
