THE CHAIRMAN...

Good afternoon to our supporters and a warm welcome to the players and officials of our visitors Letham FC. Letham, of course, have now joined the junior ranks and looking at their league position and their recent result against the league leaders, it shows that a victory in today's league game will most certainly have to be earned. I'd like to take this opportunity to welcome them into our ranks and our division. I know first-hand how that feels. Takes me back to 1990 when our club entered the junior ranks, I've no doubt in the early fixtures other clubs took us lightly, but as time rolled on they soon changed their opinion of us and of course, as they say, 'the rest is history'.

Last weekend saw us move into the last sixteen of the Quest Engineering Cup with a 2-0 victory over Arbroath Vics. Once again, we were forced to start with a depleted line up due to Covid, injury and unavailability. There is little doubt it was a rather unconvincing performance but when you look at the list of who were missing from the starting line-up, Gary Thain, Brodie Heggie, Craig Sturrock, Jim Malone, Greg Whyte, Kris Rollo, Dayle Robertson and with Irvine & Norrie out on loan we couldn't expect a top performance. However, for me there seemed to be a lack of passion or desire from us which contributed to it being a disappointing watch but, as I say, we're in the next round and look forward to the draw and an encounter with a North Region side. As you know we've undertaken the task of installing a floodlighting system which I'm very hopeful of it being in place by the end of

next month at the latest. We're just waiting on it passing through Fife Council's Planning system. The infrastructure is done, the towers and lights are onsite and ready to roll, so hopefully at some point in the near future we can organise a glamour friendly to officially christen them.

This afternoon offers us an opportunity to gain three points, as I said Letham have started the season well and should well have beaten league leaders Carnoustie, so we know we'll have to perform well to win this one.

Enjoy the game.

TAYPORT F.C. OVER 50s WALKING FOOTBALL TEAM NEWS UPDATE

Due to the damp weather last Friday morning, I switched training to indoors at the Waterstone Crook Sports Centre, my main concern being that nobody slipped over on the grass at Canniepairt and injure themselves.

Despite the late notice, we still had 15 attend and it was certainly different to play indoors after nearly 18 months since last being there.

In the absence of Fergus Mann, who was due to take part in the Great North Run on Sunday, Alan Gray took the warm up session, and then team manager Tom put everyone through a training routine, before dividing the players into 2 teams.

We started playing with a small ball, the idea being that you had to control the ball more carefully, due to its size, and made shooting more difficult.

After taking away that ball, he introduced 2 normal size balls, and to score a goal, both balls had to be in the same half, so each team had to be extra aware of where each ball was. It also kept all the players on their toes not knowing where the next pass was coming from !

Again, after taking away one of the balls, we continued a normal game, which ended 4-4.

We were due to play in a 4 team friendly at Perth on Sunday, but regrettably it was cancelled.

I have entered us in the Raith Rovers Christmas Cup on Sunday December 5th at Stark's Park.

Hopefully there will be 12 teams competing and so far, apart from the hosts and ourselves, Dundee United and Arbroath have entered a team. If anyone wants to get involved and you haven't already given Walking Football a try, come along any Friday morning at 10:15, and give it a go.

With luck we could enter 2 teams!

This has been a slow month for Tayport with two games unfortunately postponed due to Covid regulations. The team themselves have been largely unaffected, however, with training continuing as normal despite the lack of match day action.

Since the last programme Tayport have therefore only played two matches, leaving both victorious. At the end of August Tayport played Forfar West End away in a match which at first looked like it might go to the home side who took the lead. However, around the half hour mark, Tayport scored 3 goals in 4 minutes and remained 3-1 up on half time mark. With another goal for the home side in the second

half and two for Tayport, the team walked away with a 5-2 win.

After 2 weeks off, Tayport returned to the pitch again on Saturday the 11th in their first match of the Quest Engineering Cup. Tayport had entered straight into the 2nd round after a 1st round bye and faced Arbroath Victoria, one of the teams who had been involved in the missed league matches. After a slow start, Tayport found their feet and with goals from Jamie McCabe and Ryan Paterson in the second half, ended the game victorious at 2-0.

Tayport have undeniably upped their game since the start of the season and can hopefully continue in the same way.

This month the club has signed winger and striker Kieran Sturrock, previously of Dundee North End. Sturrock came on as a sub in Saturday's cup tie, adding further talent to Tayport's growing team and will likely prove a successful signing in the coming weeks.

A CHAT WITH CHRIS McPHERSON...

Last Saturday's win made it five wins in a row, a run sparked off with the excellent win at Broughty. Previous to that, the two performances, against Lochee United (2nd half) and Downfield, were disappointing so what did you put this improved form down to?

There's no mystery to the results. We simply managed to field a stronger, more settled line up against Broughty and the momentum has carried us through the succeeding games. I don't like to make excuses, but the fact of the matter is, that against Downfield, we had three of our back four missing. We also had Gordon Norrie and Ewan White injured prior to that game. It's ok missing one or two, but when you're missing so many, it completely upsets the shape and the rhythm of the team.

We've since built a bit of momentum but Saturday past we only had two outfield players on the bench having some seven players unavailable. I believe we can have a really strong season and am praying we can ride out the injury storm we are currently suffering.

There were a few changes to last Saturday's line-up. Dayle was missing, Darren was making his debut between the sticks and Keiran Sturrock, a new signing, made his debut. Can you give us a bit of background?

Dayle was one of several players missing on Saturday. He was suffering from illness as opposed to injury and we hope to have him back for the weekend. Darren Brown made his debut as we looked to use the fixture to rotate the squad. In reality the other changes were again down to players being unavailable through injury. Darren is an experienced goalkeeper and has been patient since signing. I was pleased with his performance.

Kieran Sturrock is a winger-cum-striker who I've admired for a long time. He adds quality to the squad. He hasn't played for a couple of months so I was pleased with his contribution. His levels of fitness will improve and he is desperate to do well for the club. There is plenty more to come from him.

With another new player in, it's believed several players will be moving on, whether temporarily on loan, or permanently. Can you perhaps give the fans an update on this situation?

We are always on our toes with player recruitment. I think it's important to constantly look to improve. In recent weeks we have sold Zak Wilson to Dundee violet, loaned Gordon Norrie to Blairgowrie and Logan Irvine to Downfield. Gordon has struggled for fitness this season due to having an op. then a groin injury, Logan had slipped down the pecking order and we felt it was important they went and got some game time elsewhere. I am told that Gordon and Logan have started to feature for their loan clubs and we'll be closer to deciding on their long term future in the next few weeks.

TODAY'S GAME EAST REGION MIDLANDS LEAGUE TAYPORT v LETHAM

We welcome league newcomers Letham who are making their first ever visit to The Can-niepairt for this Midlands League game. Part of Perth's Letham Community Sports Club, Letham play out of the 7 Acres 3G Park.

Letham's roots are in the early 1960s City Boys' League from where they moved into the Perthshire Juvenile ranks. It was then a move to the Perthshire Amateur League for around 30 years. There were mixed fortunes over these years but, for the past decade or so, they have dominated Perthshire amateur football, winning 7 championships in a row (1 shared with St Johns AFC), and a North of Tay Amateur Cup win

The next logical step for the ambitious club was a move into the semi-professional game. The East of Scotland League, where they would have joined Perthshire neighbours Jeanfield, Luncarty and Kinnoull, was a first choice but Letham settled for the Midlands League. Letham are relying mainly on the

players who brought them so much success in the Amateurs, including Benn Blyth and Alan Cunningham, both of whom had previously moved to Kinnoull but have returned this season to Seven Acres.

It's been a steady start to their first season in the higher echelon of the game and the Perth boys are in a comfortable mid table position, thanks in part to a steady stream of goals from Connor Galletly and Alan Cunningham. Signs that Letham had adjusted to the Junior game was confirmed two weeks ago when they shocked Carnoustie by racing into a 3-0 half-time lead before the league leaders rescued a point in a second half fightback.

Tayport haven't had their selection problems to seek. Hopefully top scorer, Perth lad Dayle Robertson, will be able to return and there could be a starting place for exciting young Dundee FC loanee Ewan White who made a brief appearance as substitute last week on his return from injury

1996...MEMORIES OF A TRULY MEMORABLE YEAR FOR THE CLUB...AND TOWN

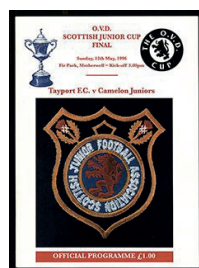

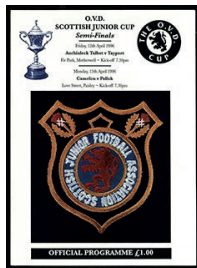

As we look forward to another Scottish Cup tie next week, we look back 25 years to 1996 when Tayport FC lifted the Cup for the first time

The road to Motherwell's threadbare Fir Park was a lengthy one with nine ties and replays having to be overcome before the team bus finally pulled up at the Motherwell stadium on Sunday 12th May 1996.

Tayport would run out to play Camelon, the cup holders, that afternoon before thousands of Port supporters who had travelled through to North Lanarkshire for Tayport's second cup final appearance. The line-up and scorers are a fixture on the inside front cover of this programme but here we provide more detail of the road which led to a day which will forever be etched into memories of the players, committee and supporters and, indeed, the history of the town.

Manager Davie Baikie, the present club chairman, used only 16 players from the first round on October 14th to lifting the cup seven months later.

TAYPORT BREAK NEW GROUND NEXT SATURDAY

SCOTTISH JUNIOR CUP round 2

Tayport hit the road next Saturday when they continue their 2021-22 Scottish Cup campaign with a visit to Airdrie to play Gartcairn FC.

It's maybe not too surprising that many in this corner of the country won't know too much about Gartcairn FC as they were only founded as a Junior club in 2015, having originated from the Gartcairn Football Academy, itself founded only eight years earlier.

The name Gartcairn comes from an amalgamation of the names of two areas of Airdrie from where the club originated, Gartlea and Cairnhill.

Gartcairn was part of the exodus of West Region Junior clubs which left the SJFA to join the Scottish Football Pyramid via the incipient West of Scotland Football League (WOSFL) a couple of seasons ago. Although no longer playing league football in the Junior Association, like others, they retained membership of the SJFA to allow participation in the Scottish Junior Cup. Gartcairn currently play in Conference B. of the WOSFL and are just tucked in behind the league leaders. In round 1 of the Scottish Cup they had a comfortable 4-1 over the North Super League's Aberdeen East End.

Gartcairn's best run in the cup was reaching the quarter finals in 2017 but any dreams of a last four place were shattered by Linlithgow Rose who won 7-0. The Airdrie based club has previously only met one club from Tayside, losing 2-0 at home in round 3 to Lochee United in 2018/19. This tie, as was also the case with Gartcairn's 2nd round tie at home v Kilbirnie, was played at a neutral venue after the SJFA had deemed Gartcairn's MTC Park unsuitable to host the match. Everything must be hunky dory now, as their most recent run in 2019/20 saw them win three home ties before going out at Hurlford United in round 5.

Gartcairn's MTC Park is in Waverley Drive, Airdrie ML6 7HB.

Letham, our opponents this afternoon, are also on the road in the cup next week, when they travel to Ayrshire to meet Muirkirk who play in Conference A of the WOSFL

Port Lotto

Those of you with a long association with Tayport FC will know that in the past 48 years the club has run different weekly lotteries in order to generate income. The club's first lottery, **Golden Goals**, was launched in 1973 and was followed by **Scorepool**, which was then replaced by **Super Six** which was launched in 1994. Super Six ran till March 2020. In its 26 years Tayport's Super Six paid out over £300,000. It was a great income generator for the club and really helped develop us over the years. As the Super Six involved buying a physical ticket, it was suspended in March 2020 when the country went into lockdown.

The jackpot for Port Lotto started at £1000 with this money being carried over from the Super Six. Port Lotto takes place every Wednesday evening, costs £1 to enter and each participant can enter up to 10 times each week. Each line costs £1 meaning the more lines you place the better chance you have of winning. At the time of writing the Port Lotto jackpot stands at £2,150. If the jackpot is not won £50 is added to the prize pot for the next week. The jackpot is won if you match all four numbers. If you match three of four numbers in any order you will win a share of the second prize, £50.

FROM THE ARCHIVES

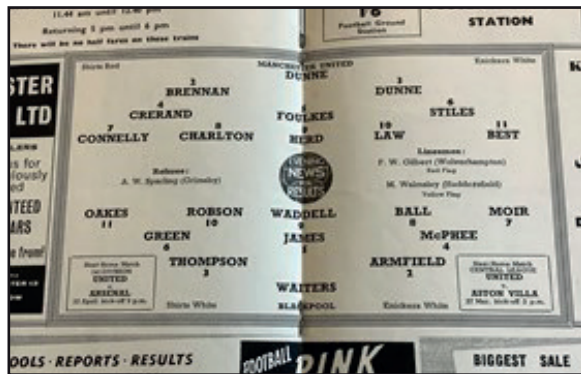

A minute's silence for the late Bobby Waddell was observed at last Saturday's match on the Canniepairt - and at Dens Park v Livingston. At Bobby's funeral in the morning there was a good turn out of Tayport players from the mid 1970s, the era during which Deedle managed the team. It was clear, from the comments of these guys, the respect which they had for Bobby as their coach and manager.

Bobby Waddell loved football, anywhere, anytime, anyplace. He played 25 games for Tayport, age 41, in season 1980/81, following reinstatement to Amateur status, helping the club's Fife XI win the East Fife Div 2 championship. Such was the modesty of the man, that his Tayport teammates that season, such as Richard Callander, Ronnie Stewart, Doug Henderson, Frank Feechan, Jim Downie, Kenny Smith, Rich Rennie, Bruce Burnett, Alan Paterson, Brian Davidson, Lindsay Clark, Jimmy Robb playing in games against the likes of Ernie Bryson's Pittenweem Rovers were never aware that one of their teammates had also been teammates with, or played against, some of the most famous names in English football during the 1960s when a player with Blackpool.

scored one of the Blackpool goals in a 5-1 demolition of a United side which was on course for the League Championship. Seven of that United side would be on the field when Matt Busby's side became the first English club to lift the European Cup in 1968. During his time down south, Bobby played with or against seventeen of the 22-man squad which helped England win the 1966 World Cup, including nine of the eleven who played in the final.

If you haven't taken part in Port Lotto before, go to the club website, www.tayportfc.org and click on the Port Lotto banner on the home page. You will be taken to the Port Lotto page and here you will be able to buy your tickets.

We understand that some people will think it is great that the club's weekly lottery is now online as they can do it quickly from their phone or tablet but we also realise that for others, the idea of having to go online to take part in the club's lottery is off-putting.

Therefore, now that supporters are back at matches, we have introduced a physical Port Lotto ticket for those who do not wish to enter online. You will be given a Port Lotto ticket and all you need to do is pick your four numbers, fill in your details, and pay a committee member for your ticket. The committee member will then go online on your behalf and input your numbers and details, which will mean you are then entered into the Port Lotto. If you are then a prize winner, the club will be in contact with you to arrange for you to receive your winnings.

If you would like to take part in Port Lotto by filling in a physical ticket, speak to myself, Dave Baikie or Tony Sneddon and we will sort this for you. Whether you enter online or enter by filling in a physical ticket you will have the option of how many weeks you wish to enter. You could enter for 1 week, 2 weeks, half a year or even a full year.

By taking part in Port Lotto you will have an opportunity to win big money but you will also be supporting Tayport FC, as the money raised will go towards the development of the football club.

If you are in a position to do so we would be extremely grateful if you were able to take part in Port Lotto which Supports the Port!

Pete
