Cover Pic - Tayport Instrumental Band
leads Tayport FC's open top bus through the streets after the 2005 Scottish Cup win. Reason for this pic appearing on our cover is that, sadly, the Tayport Instrumental Band is no more. Following Covid, the Band membership dwindled and they found it increasingly difficult to recruit sufficient new members. The committee has therefore decided to call it a day and liquify all their assets, including instruments and the band hall in Maitland St., the proceeds of which will be held in trust.

Tayport FC's Scottish Cup wins have been left considerably more memorable for the townspeople thanks to the support of the Tayport Instrumental Band and we all sincerely hope that the Band can be resurrected sometime in the future.

THE CHAIRMAN...

Carnoustie Panmure are today's opponents, I'd like to welcome both their players and officials to Tayport. Welcome also to the Canniepairt to our loyal supporters.

With no game last weekend I paid a visit to my old club from my playing days, Downfield, where they ran out comfortable 5-1 winners at the expense of our opponents this afternoon.

The week prior I unfortunately missed our league encounter with Scone Thistle. By all accounts we dominated from start to finish and the 5-0 scoreline flattered our opponents.

I'd like to take this opportunity to welcome three new additions to our ranks, some of our fans will remember Nick Mann who was a Tayport player some ten years or so ago. Welcome back Nick. Jamie Timmons and James Simpson arrive from Dundee Violet to add competition for our defence.

Can I also take this opportunity to thank three guys who are not on the

club committee but are doing a power of work at ground, Paul Reilly, Ron Saunders and Willie Fry. Paul has a great appetite for working to improve our playing surface and the surrounding area. Ron and Willie have been working on improving many aspects around the ground painting the railings surrounding the pitch and our enclosure plus many other jobs.

As I mentioned, Carnoustie Panmure arrive today on the back of a heavy defeat, so I'm sure they will be determined to make amends this afternoon therefore our players need to be fully focused to gain a victory.

Enjoy the Game.

Support the Port. **Davie Baikie**

LOCHEE UNITED LEAD THE WAY

Tayport's relative absence from the last 32 of the Scottish Junior Cup in the past ten years has seen Lochee Utd take top billing for Midlands clubs' appearances in the competition during the 21st Century.

Lochee have reached the 4th round on 14 occasions, followed by Tayport with 12. Carnoustie Panmure come next with 11, then Dundee Violet with 7, North End 6, Broughty Athletic 5. Amongst the dozen or so others, maybe somewhat surprisingly, come Downfield with 3, two of which have been this season and last season.

Panmure are hard on the heels of the Bluebells over the last decade with 6 appearances to Lochee's 7.

UNITED NATIONS AT HAMPDEN

In last Sunday's Premier Cup semi-final between Rangers and Motherwell, of the 30 players who took part, 17 different countries were represented.

Scotland had 6 and the others were from England, Wales, Northern Ireland, Republic of Ireland, Portugal, Brazil, Zimbabwe, D R Congo, Australia, Germany, Netherlands, Albania, Nigeria, Belgium, Czech Republic and the Ivory Coast

1899 FROM THE ARCHIVES 1899

From time to time over the years, players from many nations have turned out for Tayport clubs on The Canniepairt or on the East Common but surely the first such occasion was exactly **125 years** ago this week. On **1st November 1899** the *Liverpool Mercury* newspaper (and others) reported that Kidlaw [phonetic spelling], a 16 year old Esquimaux lad from Dexterity Harbour on Greenland's Davis Strait arrived in Tayport as a guest of the ship's Tayport based captain Harry McKay

Captain Harry M'Kay, who commands the Esquimaux, and his wife, with kindly solicitude, have taken the stranger under their care, and both are loud in their praises of his intelligence, his docility, and his manners and deportment. Already Kidlaw has been initiated into the mysteries of football, to which game he devoted himself with zest, and to the admiration of Captain M'Kay's boys and his other youthful companions, who prophesy for him a place in one of the junior elevens practising on Tayport Common.

Also happening in Tayport that first week in November 1899

- *The SS Glenisla arrived at Tayport harbour from Aguilas in Spain to discharge its cargo of esparto grass
- *Mr William Henderson retired from Donaldson's Sawmills after 40 years service
- *Jute Workers were wanted and Tayport Spinning Works advertised for 'Families with Spinners, Piercers and Shifters. Steady employment. Cheap dwelling houses'
- *Tayport Literary Society had a large audience listening to a lively debate on "Country Life v Town Life". After a prolonged discussion, Country Life won by a majority
- *Tayport Rangers FC were playing Ardenlea (Lochee) 'and will put a strong team on to pull off the two points. Team - Coss: Cook, Berrie: Wood, Hay, Simpson; Campbell, Hill, D.Coss, Cowie and Kinnear'
- Tayport Crescent FC were playing East End, (Newport) in a league game on Garpit Park, which had been kindly granted by the Rangers.

TODAY'S GAME TAYPORT v CARNOUSTIE PANMURE MIDLANDS LEAGUE

This afternoon's game will be a major test for us. We've played - and won - each of our six league games at home this season, gathering 18 points which has taken us to 4th place in the table.

What we've got to take cognisance of is that all six games have been against clubs occupying the bottom eight places in the league table, hence labelling this game today as something of a test.

Confidence comes with wins, however, and with six wins from our last seven games, we won't be lacking.

Carnoustie arrive here today defending an unbeaten run of eight games against Tayport, four of which were here at Canniepairt, our last success being a 4-1 win here in 2019.

Although Carnoustie aren't quite the side which won back to back Midlands titles in 2021-2023, they have tasted league defeat on only three occasions to date, one of which was at in-form Downfield last week. It was their biggest defeat of the season and one which ended a run of four successive victories.

Carnoustie's main threat comes from their strike force of **Dale Reid** and **Jay Yule**. Dale, was at The

Canniepairt between from 2016-18 when he had the impressive record of scoring 47 goals in 79 appearances during his spell at Tayport. Since moving to Carnoustie, his goals certainly haven't dried up and he's consistently proved to be a thorn in our side. He's again the Gowfers' leading marksman this season.

Six in a row?

Catching the eye in recent games has been Dale's fellow striker Jay Yule. Jay is looking to find the net today for a sixth successive game. So, Tayport defenders, you have been warned!

Another player facing his former club today is **Sam Simpson** who will be back after missing two games and looking to add to his six goals already this season. **Stefan Elvin** will also return to the squad

There will be three new faces in Tayport's squad this afternoon, defender **James Simpson** and midfielder **Jamie Timmons**, both from Violet and striker **Nick Mann** (30).

Nick was previously at Canniepairt in 2013/14 when his first goal for the club was against Carnoustie in a Super League match in 2013.

PAUL BERG of TAYPORT FC WALKING FOOTBALL CLUB REPORTS...

Our final session of league games finished with mixed emotions. Our **Red** team in the Premiership, despite having a good day, were relegated to the Championship. The **Red's** performances were unfortunately matched on the day by the teams immediately above us and we missed out by 1 point!

Best result was drawing and nearly beating, champions Dundee East. Raith Rovers looked odds on to be champions, just needing to avoid defeat against Linlithgow Rose, whom we had beaten earlier in the day, but they lost 4-0 and thus missed out on the title by goal difference

Our **White** team in the Championship finished in the bottom half of the table but, considering they are a new squad, did well on the day, beating Dundee FC and today's Canniepairt visitors, Carnoustie Panmure, who again just missed out on promotion.

We are entering 2 teams again next year. We have over 30 players and are confident we can put out 2 equally balanced teams and get back into the Premiership.

Tom Malone, who is now in charge of team selection and performance, has spoken with all the players he wants to be involved. To Tom's credit, over the last two league sessions since he took over, the **Red** squad were 5th out of 12, showing we are definitely progressing.

Some people have asked why we don't just have one Super team next year. The answer is, we have so much interest from our players, it would be unfair just to select a squad of 8 and leave out another 12 potentially equally good players. Obviously we want to win every game we play, but our main focus is involving as many of our players as possible, rather than to win at all costs, as some clubs' mentality seems to be. Last year's Premiership champions, Arbroath also entered 2 teams for the first time this year and escaped relegation by a single point. But they were happy that, like us, they had involved more players.

On Sunday December 1st we are entering a team in the Raith Rovers Christmas Cup, being played at Starks Park. Hopefully the weather will be kind to us as we hope to do even better than we have done in the past. Last year we made the quarter finals before losing on penalties so, fingers crossed, hopefully we can improve this year.

Although we have managed to train outside at the Canniepairt for the last few weeks, we will soon be training inside at the Regional Performance Centre in Dundee, so if anyone wants to come along and join us on a Friday morning training session, just contact me on 07831-535555, or email: tfcwalkingfootball@gmail.com. or message via our Facebook page.

ATTRACTIVE FIXTURES UNDER THE FLOODLIGHTS

With a league top ten split scheduled for early 2025 and potentially an end of season deadline for a Scottish (Senior) Cup play-off place, plus the fear of a bad winter, MJFA is anxious to avoid clubs falling behind. To this end, we have some floodlit games this month.

On Wednesday past, Lochee United and North End were in action at Thomson Park, the Dokens winning 2-1 to close the gap at the top.

Also scheduled are:- Tuesday 9 November - Lochee Harp v Lochee United

Wednesday 27 November - Tayport v East Craigie

- Montrose Roselea v St James

Wednesday 4 December - Letham v Lochee Harp

And it is likely that Blairgowrie v North End, postponed last Saturday, will be slotted in.

FIVE MIDLANDS CLUBS' HOPES STILL ALIVE

Only 6 Midlands clubs feature in the last 32 (4th round) of this season's Scottish Junior Cup. It's a competition devalued somewhat since all clubs south of the River Tay (except Tayport) jumped ship to join the East of Scotland Football League (EOSFL) and the West of Scotland Football League (WOSFL). Only 108 clubs entered the Cup in 2022, well short of the 164 which entered in 2004-05 when Lochee United and Tayport contested the final. Some clubs from the WOSFL & EOSFL retained membership of the Scottish Junior FA in order to continue to compete in the competition while, in order to boost numbers, others have been encouraged to take out membership of the Junior FA with the financial incentive that comes by doing well in the competition.

Local clubs' ties in the Scottish Junior Cup are:- **Montrose Roselea** v Beith; Troon v **Lochee United**; Camelon v **Letham**; **East Craigie** v Largs Thistle; Ardrossan Winton Rovers or Bo'ness United v **Downfield**. Some ties are on 20 Nov, some on 23 Nov, some on 30 Nov and Downfield's date hasn't yet been set

PRESS RELEASE

Remember this from September 2021?

Scottish Junior Football Association National Non-League Cup

The board of the Scottish Junior FA hereby announce their plans to create a National Cup competition for Non-League clubs in the Scottish FA's pyramid structure from tier 5 and below. With over 200 clubs across the country it is hoped this ambitious move will capture the imagination of clubs and supporters throughout the Scottish game.

Funded by the Scottish Junior FA with a financial backing of £80,000 underlines the Association's commitment in creating a prestige national competition for all. Initial discussions with other leagues and Associations have taken place and we are encouraged with the positive feedback. Work with all parties will now begin to bring this to fruition for season 2022-2023

Whatever happened?

PORT TRIVIA PROG

Good to see a familiar face at the Scone Thistle game when the legend that is Scott Peters looked into The Canniepairt to see his 16 year old son Finlay enjoy some action, coming on as a trialist for the visitors as a second half substitute.

When Tayport and Lochee United met in the final of the 2005 Scottish Junior Cup at Tannadice, the gate receipts were £35,666 (£66,741 in today's money). Dundee United's share was £10,419 (£19,500)

Alan Rough, the former Scotland and Partick Thistle goalkeeper whom 'Port Supporters of a certain vintage will recall, was the Glenafton Athletic manager when Tayport played the Ayrshire club in the final of the 1993 Scottish Junior Cup. Alan is in Tayport at the end of this month when the 'Goalkeeping Legend' is the guest speaker at Scotsraig Golf Club's Gents' Prizegiving Evening.

Mackenzie Williamson, scorer of 7 goals and recipient of 14 cards at Canniepairt last season, was featured on the cover of the Newburgh match programme last week. To date Mac has hit 4 goals and has collected 8 cards in his 12 games for Newburgh this season.

St Andrews United and manager Garry Wright have this week parted company. Garry was promoted at the start of this season from his coaching role to the top job but has resigned with his team currently in bottom spot in EOSFL Premier Division.

THE MANAGER'S MUSINGS

We welcome everyone to The Canniepairt today which sees us take on Carnoustie Panmure JFC in our 11th league game of the season.

Everyone at Tayport Football Club wishes the coaching staff, committee and supporters of Carnoustie Panmure JFC all the very best for the remainder of the season.

Our previous fixture versus Scone Thistle JFC saw us maintain our 100% league record at home with a 5-0 scoreline, but as we didn't have a fixture last Saturday, it gave me and my coaching staff a chance to have a look at today's opposition at Downfield Park against a strong Downfield JFC team.

As I said in previous programmes, we were still hopeful that we could add another few new faces in the coming weeks. This has come to fruition, as we have signed another two players in the last week who will ultimately strengthen our squad. The new signings are centre half James Simpson (left) from Dundee Violet JFC and striker Nicky Mann (right)

Nicky played for Tayport in the past and is now free from the work commitments that prevented him from playing on Saturdays. James has come highly recommended, having been the skipper of Dundee Violet JFC for the last 2 seasons. Before that he had spent 10 seasons with Blairgowrie JFC. His experience will only be beneficial to the team.

Nicky, a proven goal scorer in the Junior game, will now give us other options in attack. Also in today's squad will be Jamie Timmons, our other recent signing whose registration came through too late to face Scone.

Ryan Smith who is still waiting on a scan and Jamie Gill who has sustained a knee injury are the only two players that are currently unavailable., Sam Simpson and Stefan Elvin return to the squad which is now looking a lot healthier than it has been for some weeks.

Hopefully you can all enjoy today's game, and we can take Tayport FC another step further up the league and maintain our 100% league record at the Canniepairt.

Match Report

Midlands League

26 October 2024 on Canniepairt

Tayport 5-0 Scone Thistle

Biggest surprise here was that the winning margin wasn't greater. Tayport monopolised the ball throughout but too often their passes went astray, a weakness sure to be exploited by League top ten opponents.

Scone battled hard and created a couple of chances but their performance did nothing to belie their bottom of the league position. Tayport dominated the opening exchanges and but it took them 15 minutes to open the scoring, Ethan Samson converting from close range after being set up by Scott McComiskie.

Within a minute, Scone should have been level in their first attack but Paul Leask missed the chance.

On the half hour it was 2-0, Aiden McKelvie surging down the right and firing the ball across goal where Kieran Crichton forced the ball into the net despite keeper Dalton's despairing effort to save.

In 52 minutes McComiskie missed a pinch before a minute later Kyle McMulkin set up Jamie Crowe for the third. On the hour mark Jamie found space in the box to fire home his second from 10 yards to make it 4-0.

Before the end Leask came close to a consolation for the Jaggies before Ethan completed Tayport's nap hand in the last minute.
